SCIENCE OLYMPIAD NEEDS YOUR HELP!

Coin Drive November 17-24

Years and years ago, CVCS had "A" and "B" Science Olympiad Teams. (That is when the students brought home all the trophies that are on display in the library). Once again, this year's group of 28 will form two teams, needing twice the amount of supplies, team t-shirts, and hotel rooms/meals on the trip to Silver City at the end of January.

Coach Ms. McSherry and the 28 middle school students will be placing jars in each classroom on November 17 for students' and parents' monetary donations, and the class with the largest amount on November 24 will win a ROOTBEER FLOAT PARTY!!

The money will buy materials like balsa wood, glue, hardware, chemicals, and books/guides to prepare for the competition, and team t-shirts for the event.

CVCS has had a reputation in the past as the team to beat at the regional competition, so please help these dedicated students, teachers, and parent volunteers bring home the gold!
