I understand that by giving permission for my child to ride with a parent/guardian/staff member in a private vehicle, or that if I transport students in my personal vehicle, that I release the Grass Lake School District and the district's representatives from all responsibility for my son/daughter or other passengers during the trip in a private vehicle.

\*I understand that it is a requirement of the driver to supply a copy of their auto insurance policy to the school one time per year to ensure that my auto liability coverage is adequate (minimum \$100,000/\$300,000 bodily injury liability coverage) for the vehicle being used. If my auto liability coverage changes at any time through the current school year I agree to immediately notify the school district of the change with an updated policy copy. Further, I understand that I must notify the coach when I leave an athletic site with any student-athlete (after all required team activities are completed).
