

SCHOLARS CIRCLE

The Scholars Circle provides year-long recognition to our most generous contributors. These families and businesses provide critical funding to help bridge the gap between tuition and the rising costs of providing an enriching, faith-based educational experience for more than 350 children. Sponsorship options below \$1,000 are available for specific school events. We greatly appreciate your consideration and generous support of our new sponsorship program. **Please direct questions to** Melissa Hicks, Member of the School Advisory Council and 2013/14 Fundraising Chair, at mhicks@mosaicmarketing.com or 484.888.6766.
