Email: manny.toledo@yahoo.com or pcubed_jr@yahoo.com

Grassroots Soccer's specialized training delivers a stellar learning environment for young players. The program is designed to encourage young soccer players to develop basic soccer skills and to facilitate training with similarly skilled and like minded players under the supervision of experienced trainers. Players will be allowed to grow within their potential and expectation and will train together with a ratio of no more than 12 to 1. All coaches will follow an approved Grassroots soccer curriculum, which has been developed by our Technical Director. The sessions are carefully designed not only to improve the player's skill, but also to be fun. This curriculum has been developed to emphasize touches on the ball, instill confidence, encourage players to control the ball, and be creative during game situations.

Please complete the registration and mail it to: 4822 Lavell Dr., Yorba Linda, CA 92886
