

## G YPSY VANNER HORSE SOCIETY

### GYPSY VANNER HORSE EVALUATIONS

IN CONJUNCTION WITH THE CGHC SOUTHERN CA SHOW

# Friday, March 18, 2016

at Los Angeles Equestrian Center, Burbank, CA

www.IA-Eque stria nCe nte r.c o m

#### Offering Evaluations for Conformation/Movement, English, Western & Driving

The Gypsy Vanner Horse Evaluation Program has been developed as an educational tool for the horse breeder, to promote thoughtful breeding of Gypsy Vanner Horses of the type as detailed in the breed standard, and for the public to educate them about the breed. The program's purpose is to help breeders and owners to educate themselves about the strengths and weaknesses of their horses so they can use this knowledge in making educated breeding and purchasing decisions. This system should be viewed as an important tool to help preserve the wonderfulcharacteristics of the Gypsy Vanner Horse. The conformation-movement evaluation is also an integral part of the GVHS Registration process. Horses lacking DNA verification of both sire and dam require a certain minimum conformation-movement evaluation score to move from the GVHS Pre-Studbook into the Regular GVHS Studbook

## FRIDAY, MARCH 18, 2016, REGISTRATION FORM
