AGRO COMMODITIES DIVISION

IMPORT OF MAIZE (NON-GMO) BY PEC LIMITED AND SALE TO ACTUAL USERS UNDER TARIFF RATE QUOTA

PEC Limited had floated an Expression of Interest dated 16th December 2015, on its website, and had received required details from several parties. Subsequently, PEC has received the clearance from the Govt. Of India on import of 5 lac MT of maize on actual user basis. PEC now calls for firm requirement from actual users (even those who had earlier submitted their interests) against the EOI to enable PEC to commence the import process from international suppliers.

On the basis of the details received, PEC has analysed the demand pattern and in view of viability of import, effectiveness of discharge operations at the port, optimum size of import size, among other things, PEC has identified the following ports for import:

1. Kandla, Gujarat (West Coast, India);
2. Magdalla, Gujarat (West Coast, India);
3. JSW Jaigarh, Maharashtra (West Coast, India);
4. Tuticorin, (Tamil Nadu), (South Coast, India);
5. Vishakhapatnam, (Andhra Pradesh) (East Coast, India);
6. Kolkata/Haldia (West Bengal) (East Coast, India)

Additionally, PEC shall be importing maize by means of import tender to realize the best possible prices. The tenders shall be split into 2 phases for getting better price as the higher demand may lead to inflated pricing by the bidders. This also is necessitated for logistical reasons on the basis of handling capacities at various ports.

The tenders and the shipments periods shall be phased in such a manner so as to enable PEC to complete the import process within the stipulated time period.

Each individual actual user (hereinafter referred to as buyer), shall be required to sign an Agreement with PEC Limited on the terms and conditions as stipulated by PEC and the same shall be made available in due course.

Accordingly, to be considered for allotment of quantities, interested actual users are now required to submit the following in the form available at https://docs.google.com/forms/d/1TqzisIY4cMsH5T17hvcmq2x4ik05qbZOsguPXz_Th9c/viewform?usp=send_form :

1. Provide the complete details of the Company/Firm and the Manufacturing/Processing

Plant/Mill etc.

2. Firm demand (commensurate with the plant capacity),
3. Preferred port for discharge;

Additionally, actual users are required to provide the following documents in hard copy to be couriered to PEC at its HO:

- a. Certified Copy of Partnership Deed/ Memorandum and Articles of Association etc. as applicable.
- b. Copy of Certificate of Registration.
- c. Details of Directors/Partners/Proprietor (whatever applicable) including address and PAN No. (On their letterhead)(Copy of PAN Card is not required)
- d. Self – attested Bank Statement for the last three months of any bank;
- e. Copy of Service tax/VAT/ TIN number allotted to him by the appropriate authority.
- f. Self attested copies of PAN Card.
- g. Self-attested copy of Manufacturing License/Industrial License*
- h. Undertaking on the Company Letterhead declaring plant capacity of the manufacturing/processing unit/poultry farm and that the maize quantities allotted by PEC shall be used in the applicant's own unit/plant/mill and shall not be traded in the market., in the format attached;

* In case Manufacturing License/Industrial License is not available, the applicant can provide any supporting document from a Govt. Agency or Nationalised Bank supporting that the actual user has a running factory/plant/mill/Poultry Farm. However, this shall be considered only in cases where the total demand placed on PEC does not exceed 500 MT.

Applications incomplete in any regard shall be summarily rejected.

All applicants should fill the form available at the link https://docs.google.com/forms/d/1TqzisIY4cMsH5T17hvcmq2x4ik05qbZOsguPXz_Th9c/viewform?usp=send_form before 1730 hrs on Thursday, 7th January 2016, and the hard copies should reach PEC Head Office, addressed to The Chief General Manager, PEC Limited, “Hansalaya”, 15, Barakhamba Road, New Delhi 110 001, India, latest by 1730 Hrs. on Monday, 11th January 2016. The sealed envelopes containing the above should be marked “APPLICATION BY ACTUAL USERS FOR ALLOTMENT OF MAIZE QUANTITIES”.

UNDERTAKING

(On Company Letterhead)

To
