Our Mission

The Lady Viking Basketball Program is committed to excellence. We believe in challenging young ladies to become their best in basketball, the classroom, and life. Our program is based on the core values of integrity, loyalty, respect, responsibility, gratitude, unselfishness, and tenacity. These are principles that we feel will make our players successful, on and off the court. We believe that camp is where this all begins. At Lady Viking camp, we will teach you to play "the Lady Viking Way" and teach you the skills you need to reach your potential as a player. We hope to see you at camp this summer so that you can develop your basketball skills and work toward becoming a Lady Viking.
