Disclaimer: The Children's Hospital of San Antonio Foundation reserves the right to adjust the contents of this packet to meet the needs of individual event circumstances. Those situations are evaluated internally and done so on a case by case basis. It is expected that unless otherwise approved, all third-party event activities will adhere to the guidelines outlined in this packet

Financial Guidelines

We have prepared the following information to help you understand your role and that of the Children's Hospital of San Antonio Foundation as it relates to the financial and tax regulations associated with planning a fundraiser. It is important to know that detailed accounting of event revenues and expenses is important for tax purposes.

Event expenses

As the event organizer, you are responsible for finding sources of funding for the event, if necessary. Third-party expenses will not be processed by the Children's Hospital of San Antonio Foundation, including any and all bills associated with the event, and any credit or debit card transactions for the event.

The Children's Hospital of San Antonio Foundation expects that event organizers will not keep any portion of the event proceeds as profit or compensation for organizing the event. If event expenses are greater than the revenue generated, the Children's Hospital of San Antonio Foundation and Children's Hospital of San Antonio are in no way responsible for those costs.

Event banking

The Children's Hospital of San Antonio Foundation cannot serve as a bank for your event. There may be legal and tax implications for any individual who uses his or her personal bank account to process event revenues and expenses. Contact your legal advisor, tax advisor, or bank representative to advise you in this area.

Event taxes

The event is responsible for paying all applicable federal, state, and/or local taxes incurred during the planning and execution of the event.

Federal and state tax exemption

Because neither the Children's Hospital of San Antonio Foundation nor the Children's Hospital of San Antonio is hosting the event, you will not be able to use the tax identification number assigned to these entities.

Financial Guidelines (continued)

Donor intent

In order for the Children's Hospital of San Antonio Foundation to accept donations from your event, the promotions and solicitations for your event should clearly indicate the donors' intentions—that is, the purpose for which the funds are being raised.

The use of the "proceeds benefit" logos shown on Page 8 clearly indicates the purpose. In text, we recommend this statement: "Proceeds from this event will benefit the Children's Hospital of San Antonio Foundation."

Tax treatment of donations

Your event staff or committee is responsible for collecting all gift funds generated. Only checks made out directly to the Children's Hospital of San Antonio Foundation and/or the Children's Hospital of San Antonio may be classified as gifts to the Foundation. In this case, the Foundation will provide receipts for each check to the check issuers.

However, certain types of donations are not gifts to the Foundation, including:

- Payments to the event organizers for event participation, such as "entrance fees" or "suggested donations"
- Payments made by individuals that are used to defray event costs
- In-kind donations to your event (certain businesses may be able to treat such donations as business expenses in accordance with their own obligations)

Auctions, raffles, etc.

If your event includes an auction, raffle, or similar gambling activity, please clearly state that intent in the "event details" section of the proposal form. Careful consideration must be given to these

activities, which may require state-specific

licenses and other compliance steps.

Submitting net proceeds

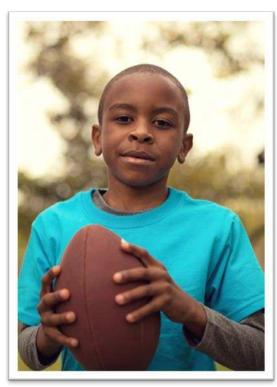

To make a contribution to the Children's Hospital of San Antonio from your event proceeds, please make the check payable to:

Children's Hospital of San Antonio Foundation

<u>Children's Hospital of San Antonio Foundation</u> and mail to:

Children's Hospital of San Antonio Foundation Attn: Will Bailey 100 NE Loop 410, Suite 706 San Antonio, TX 78216

A receipt will be provided to the check issuer.

Promotional Requirements

The Children's Hospital of San Antonio and the Children's Hospital of San Antonio Foundation brands are important to all of us. We take pride in our brand images and work hard to ensure the messaging connected to it is positive and consistent, because it reflects on the important work of our physicians, researchers, faculty, and staff.

As a volunteer third-party event host/organizer, you assume the responsibilities of adhering to the Children's Hospital of San Antonio and Children's Hospital of San Antonio Foundation brand policies.

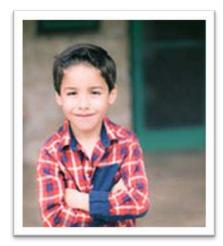

Upon approval of your event, the Children's Foundation can supply the third-party event organizers promotional items, such as logos, flyer templates, etc. to help advertise and market the event.

These guidelines include the following key points:

- All promotional materials should state that proceeds will benefit the Children's Hospital
 of San Antonio and in no way suggest the Children's Hospital of San Antonio or the
 Children's Hospital of San Antonio Foundation are in any way responsible for the event.
- The Children's Hospital of San Antonio and the Children's Hospital of San Antonio Foundation reserve the right to review all promotional materials and make changes in messaging to ensure that the language is consistent with branding guidelines.

Logo Options

The logos on this page are those available for use by approved third-party events. The logos are to be used as is and cannot be altered in any way. The logos shown below are the only logos available for use by third-party events. All materials using the Children's Hospital of San Antonio Foundation logo must be reviewed and approved prior to use.

Determine your logo needs for your promotional materials. You will be able to request specific logos on the proposal form. Once your event is approved, you will receive the requested logos in addition to the detailed promotional guide. The logos provided below and others in this toolkit may not be copied or otherwise used.
