FRIENDS FOR FUN, SAFETY & KNOWLEDGE

# Greetings from the District Directors

Hello Everyone,

The time is almost here to enjoy the beautiful scenery of the West Virginia hills at the West Virginia Down Home Rally - Good Luck will find you in West Virginia!!" Our team is working really hard to make your visit to our rally a great and fun one. We are planning educational seminars, guided rides, a great parade route with ice cream and a bike show at the end, the NC Drill Team performance, a strolling musician singing Irish songs, and much, much more. We are hoping that everyone has a 'bit of the Irish luck when playing the 50/50 and card games. All of the chapters have been gathering items for their auction baskets and some sound really exciting, we can't wait to see what shows up for the auction. We are also collecting items from our West Virginia members for the West Virginia basket as well as putting together the Irish basket with all things Irish - they are going to be chalked full of items that are sure to appeal to everyone.

Check out our rally schedule on the wvgwrra.org website and if you haven't already registered for the rally you still have time - the registration form is also on the website. We are also offering Day Passes for those that can only come and spend a day with us - we want to see you for however much time you can spend with us!

We would also like to acknowledge our Chapter Couples of the Year and the Chapter of the Year announcement so come and support both your couples and chapter, who knows who will be named the next District Couple of the Year and what chapter will take home the Chapter of the Year trophy. We will be honoring members for their achievements in becoming new University Trainers by awarding them their certificates as well as those going to new levels in Rider Education. We are planning a fun and enjoyable closing ceremony so plan on joining us for the festivities!!

This month's fortune cookie says "Wish you a good journey!" Of course we want everyone to have a safe journey to the rally and to use all of the knowledge they have gained through Motorist Awareness and Rider Education. Have a great journey and we will see you soon in Summersville, WV at the rally or somewhere else down the road!!

**June 2014**

**Hello to Everyone,**

Riding season is here and in full swing. We hope everyone is getting to ride and take advantage of the good weather we have had recently. Our District Gathering/Rally will be starting in a few days and we are looking forward to seeing all of you and hope you come to the rally and stop by the REP table and see us.

As a reminder, the NC drill team will be performing at our rally on SAT and if you have not seen this performance, you may want to come out watch it. They do an outstanding job and we are fortunate to have them perform at our rally. Many of them are coming from a long distance to do this for us, so let's get out there and show them our appreciation and support.

The WV District REP patch give away event will be coming to a close at the end of this month. A few folks took advantage of this event including one lucky couple who meet the requirements for their level 4 and received the patches free of charge!! Congrats to Jim and Donna Pompili on this great accomplishment!

We are still planning to have a TRC at the rally so if you or someone you know are interested in participating in this event, please let us know as soon as possible. In addition we will have several seminars available at the rally and if we have enough interest we will also conduct a Road Captains Course.

Don't forget about Wing Ding coming up in Madison, Wisconsin in July. We hope to see some of our fellow WV Goldwinger's there. Well, that is it for this month, short and to the point. We hope to see you all soon, come out to the rally and see us. Ride safe, ride often, and always be a lifelong learner. What you may learn might just surprise you! Until next time.....

# Assistant Rider Educators

Hello to all from Mike & Kelly,

Hope everyone has had a chance to get out there and get a few rides in between the rain. There is no better time to check your rain gear before you go out on the questionable weather days to make sure all the snaps zippers work properly. Make sure there are no holes in your rain gear. Nothing worse than getting your gear out and find holes or zippers will not work. This makes for a miserable day and ride. I hope to see everyone at the West Virginia Rally that is quickly approaching. It takes all of us to make the rally a success. Please make sure to come and see all of us at the Rider Ed table. When traveling to the rally make sure to keep an eye on our fellow travelers especially around on ramps. Four wheelers and trucks have a hard time seeing our motorcycles when merging onto the main roads and highways. The more visible we can make ourselves and our bikes with lighting and safety clothing the better the public will see us. In the long run this can save lives and injuries. Please be safe and live life to its fullest.

Mike & Kelly

Motorist Awareness

# WV District Trainer

As we prepare for the upcoming West Virginia convention/rally I'm working on confirming instructors for our LTP seminars. We will be joined this year by Mr. Jim Rambo, the Region "N" LTP Trainer, and Mr. Ken Taylor, Virginia District LTP Trainer, so please plan on signing up for one of their seminars. Like me, they enjoy teaching and passing on the GWRRA information through the many seminars that are offered through the Leadership Training Program. We are also working on an OCP course to be given in the next few months for those in new officer positions and for those that may just want to see what the organization is all about, you don't have to be an officer to take the OCP and we welcome anyone interested in partaking of the program. At this time not much else is happening in the area of LTP in the District as the main focus is the rally. If you would like for any of our certified instructors to come to your chapter and give a seminar, please let me know and I will make it happen!! Take care, enjoy, and happy learning because, as my 92 year old grandmother used to say "you are never too old to learn something new!!"

# MEMBERSHIP ENHANCEMENT

Hello Goldwingers!!!

I would like to thank all the chapters this year that have Chapter Couples of the Year. All but one have honored a couple this year. When you are out visiting the chapters this year, please make a point to congratulate the couple of the year, and to welcome them to your chapter. As a side note, in the 2014 Chapter of the Year program this year, visiting chapters is a way to score easy points for the application. Who doesn't want to go on a ride for fun, fellowship, and of course, ice cream? We all do.

The following is a list of couples and the chapters they represent.

Chapter A	Frank & Jean Harmon
Chapter B	Willy & Rosalie Boyles
Chapter C	Barry & Joyce Huffstutler
Chapter E	Bob Tush & Mary Lou Mills
Chapter H	Anthony Hensley & Sandra Sarvey
Chapter I	Greg & Anita Shackelford
Chapter J	Geoff & Susan Austin

Bob & Mary Lou have decided to step down as Chapter Couple of the Year for Chapter E due to family medical concerns.

We are not going to have a District Selection for District Couple of the Year this year. We will have a social gathering on Friday, June 13, 2014. Wow, I just realized that our Convention is going to have a Friday the thirteenth in it. Hope no one is superstitious.

Chapter I in Morgantown went to Parkersburg and Chapter J and took Travelling Teddy to Morgantown, where the same day Chapter E captured him. He will be available their next gathering on May 31st..

Chapter H has captured Cupid at Chapter C in Huntington. He will be available at their next gathering on June 7.

The WV Rally is rapidly approaching and pre-registration is now closed. The 2013 Chapter of the Year will be announced at the Rally this year. We plan on having a Best Dressed Competition as well as the Krazy Hat contest. Who knows, we may have one or two more surprises for you as well.

As a side note, the Cupid Rules and a list of the Chapter Couples and the Chapters they represent is now on the WV GWRRA website. To find these, just click on the Couple of the Year Tab. These are in pdf form so that they can be printed out as well.

# ASSANTANT MEPC'S

Hello Fellow Goldwingers,

It looks like summer is in full swing. We hope that everyone had a nice and relaxing holiday weekend. We had a fun-filled and family-filled weekend hosting a 2 day picnic at our house. We even had family from Washington State come. Some of our Gold Wing family attended including Geoff and Pete, from Chapter J, even if they were a day late (they came on Monday). It was good to see everyone.

We have had our Gold Wing out on a few short trips, but John is getting the trike ready for the trip to Summersville in a few weeks. We hope to see as many as possible at the West Virginia Rally -June 12 - 14.

**RIDE SAFE---BE SAFE!**

John and Judy Bungard

# VENDOR COORDINATORS

Pete and Sherry McMullen are the District Vendor Coordinators. They work very hard at getting vendors for our District Convention/Rally and visit a lot of venues where vendors are set up. If you have anyone that would be interested in becoming a vendor at our next rally, please contact Pete and Sherry and they will make it happen!! They are a great couple to work with and they handle all of our vendors with a lot of care

**PLEASE CONTACT KELLY FOR ANY  
PINS AND PATCHES  
YOU MAY NEED!!

# Greetings from the District Treasurer's & 2013-2014 District Couple

Hello West Virginia,

It is hard to believe almost a year has gone by since we were given this opportunity. It has been a lot of fun. We have been so welcomed by all the chapters and feel we have a new family here. We were apprehensive moving from Wisconsin of whom we would meet and make friends with. We feel so blessed to have our GWRRA family.

It appears that summer is finally here, it is time to ride. We need to remember that cagers are not used to seeing us, assume they have not seen you. We also need to take a good long look at our cycles and make sure everything is working properly.

Let the ridding begin, like to our District Rally. We are looking forward to seeing you all in Summersville. The fun days are also starting up so let's get out and support our fellow chapters.

Let's have a great ridding season and stay safe out there.

Thanks for this great honor.

Geoffrey and Susan Austin
