K-State 2+2

Fire Science and Technology Management

Student name _____

Last updated _____

Your Degree Option

K-State offers a Bachelor of Science degree in Technology Management through distance education. This degree completion program is designed for students who have completed the A.A.S. degree in Fire Science program at Garden City Community College. The Technology Management degree provides a solid understanding of the fundamental areas in management: finance, accounting, business, and marketing. The curriculum is designed to prepare the student for the diverse environment of the business world as it relates to Fire Science. By combining a technical area of concentration with advanced business studies, you can be a professional who has the practical and leadership skills to move forward in your career.

Your Career

The Garden City Community College Fire Science program prepares graduates to enter the public safety workforce as trained firefighters, either in the public or private sectors. By coupling this degree with Technology Management, graduates can use their management and business skills to help further their careers in supervisory and management positions, as they will understand how to hire and supervise employees, train new employees, train new supervisors and managers, plan budgets, and manage inventory.

Get Started

This degree map has been reviewed and accepted by both schools as an illustration, which is subject to change. Many other combinations of courses may be possible, so students should contact a K-State representative or their community college advisor before committing to a particular transfer program.

To get started, contact the K-State 2+2 representative by calling 620-786-1188 or e-mail jdunn@k-state.edu.

To learn more about the Technology Management Distance Education Program:

- Dr. Don Von Bergen
- 2310 Centennial Road, Salina, KS 67401
- Phone: 785-826-2696
- E-mail: dvb@sal.ksu.edu
- Website: www.dce.k-state.edu/affiliations/2+2/garden-city/

To apply to K-State fill out the application, pay the application fee, and have all of your previous transcripts sent to the K-State office of Admissions. More details about this process can be found at: <http://www.dce.k-state.edu/technology/management/getting-started>

Note: Kansas Board of Regents requirements have been incorporated into this degree plan, including the following rules governing bachelor's degrees:

- A bachelor's degree must include at least 120 credit hours;
- It must have at least 60 credit hours earned from an institution where the majority of degrees granted are at the bachelor's degree level or higher;
- It must include at least 45 credit hours at the junior level (numbered 300) or higher;
- Each student must successfully complete credit-bearing courses/experiences to cover all of the K-State 8 areas.

Kansas State University will accept up to one-half of the required credit hours from the community college toward the bachelor's degree.

Notice of Nondiscrimination

Kansas State University is committed to nondiscrimination in admissions, programs and employment. Inquiries and complaints: Contact Director of Affirmative Action, Kansas State University, 214 Anderson Hall, Manhattan, KS 66506-0124, (Phone) 785-532-6220; (TTY) 785-532-4807.

Disability Support Services

A student with a disability who wishes to request accommodations for a credit course should notify the course instructor or contact the Disability Support Services Office, www.k-state.edu/dss/, 785-532-6441, or e-mail dss@k-state.edu. Early notification is requested to ensure that accommodations can be provided in a timely manner.
