

2011

Middle School Statewide Track & Field Championships
To benefit the La Pine High School Track & Field Program

May 1, 2011

Dear Chamber Member/Business Owner,

La Pine High School hosts the Annual Middle School Statewide Track & Field Championships. We've had many successful athletes in our track program. Our students have brought home 120 District Championships, 105 State Placements, and 15 State Championships in our Track & Field Program history.

The event is scheduled for Saturday, May 28, 2011. More than 20 La Pine Middle School kids will face challengers from all over Oregon. Each year the families and friends of 50+ teams (an estimated 450 to 500 visitors) will come to La Pine to support their youth. We are looking for individuals and businesses to participate as either a volunteer or a sponsor to show others how our community takes pride in our kids! The entire community is encouraged to attend

If you would like to join us as a volunteer or a sponsor, please see the form on the back this page. If you cannot participate, please attend and cheer on our La Pine area athletes!

Thank you for your support,

Gary Slater, Event Coordinator & Head Track Coach

Rusty Zysett, Athletic Director

Jay Mathison, Principle La Pine High School

2011

Middle School Statewide Track & Field Championships *To benefit the La Pine High School Track & Field Program*
