END OF CONSENT AGENDA

PLANNING AND ZONING ITEMS

5. Consider a request from Jose Sanchez regarding a request for an amendment to a Specific Use Permit (SUP 11: O-05-03) to expand alcohol sales at the La Pradera Restaurant to the patio area, located at 1917

South Washington Street, and being part of Block 234 of Snow's Second Addition, City of Kaufman, Kaufman County, Texas. (Case No. Z-01-07)

Director of Development of Services Terry Capehart informed the Council that this item should have been posted as a Public Hearing along with an action item. The notice was published in the Kaufman Herald. City Attorney David Dodd advised the Council to let citizens speak tonight and to continue the Public Hearing next month.

Mayor Fortner called the Public Hearing open at 6:15 p.m.

No one spoke for or against this agenda item.

Director of Development of Services Terry Capehart gave a Staff report that a Public Hearing for this case was conducted at the April 2, 2007 Regular Planning and Zoning Meeting. Mr. Mike Tones, representing the New Plan Corporation, owner of the Washington Square shopping center, testified that his company was willing to consider a parking agreement with the owner of the strip center where the La Pradera restaurant is located but was strongly opposed to the request unless the parking issue could be resolved. The Planning and Zoning Commission agreed to table the request for one month to see if the agreement could be executed, however, when the P&Z reconvened at their May 7, 2007 regular meeting neither the applicant, Jose Sanchez or Mr. Tones appeared at the meeting which was assumed to indicate the parking issue was not resolved. The Planning and Zoning Commission has made the recommendation to the City Council by a vote of 4-0 to deny the proposed amendment to SUP 11 to expand the sale of alcoholic drinks to the patio. The City Council would have to have a super majority vote to override the Planning and Zoning Commissions decision.

A motion was made by Councilmember Gillenwater and seconded by Councilmember Altom to continue the Public Hearing until next month. Mayor Fortner called for a vote with all voting AYE, the motion carried.

DISCUSSION/ACTION ITEMS

6. Consider first reading and approval of Ordinance O-05-07 of the City of Kaufman, Texas, amending Ordinance O-31-02 "Park Usage Fees"; as amended by Ordinance O-07-03 adding sport camp fees; by adding pavilion usage fees, increasing light usage fees, decreasing adult league per team fee, decreasing tournament per team fees and adding light usage fees to all youth league play; providing for a penalty, a repealer, savings clause and an effective date.

City Manager Curtis Snow informed the Council that the Park and Recreation Board reviewed current park usage fees and is making a recommendation to the Council for fee amendments. During their review, the Board took into consideration electrical and maintenance costs, youth and adult usage, as well as special event and general daily usage. After review during many meetings with the Parks and Recreation Board, they are prepared to submit new fees to be adopted by Ordinance.

Steve Robertson, representing Kaufman Lions Club Youth Baseball, 2700 S. Washington, Street, Kaufman opposed the new fees.

Tres Borders, representing Kaufman Lions Club Youth Baseball, 801 Adams Lane, Kaufman opposed the new fees.

After discussion the Council asked Staff to further research the usage fees for the Sports Complex. Councilmember Council moved seconded by Mayor Pro-Tem Bounds to table Ordinance O-05-07. Mayor Fortner called for a vote with all voting AYE, the motion carried.

7. Consider authorizing the City Manager to sell the surplus 1992 fire truck pumper to the College Mound Volunteer Fire Department for \$63,000.

City Manager Curtis Snow informed the Council that the City recently purchased the ladder truck to replace an aging pumper. This pumper, a 1992 Quality, was scheduled for surplus and sale. College Mound approached the City about purchasing the truck to replace a much older piece of equipment.

The City has not actually put the vehicle out for bid but it has received offers from vendors around the \$50,000 range. The City may be able to get more for the truck, but the College Mound proposal is a fair price that better the capabilities of a nearby department. Kaufman County residents benefit an Kaufman City resident's benefit.

Councilmember Altom asked what the truck value. Fire Chief Brown reported that the price is appropriate for the size of engine in the truck and the age of the truck. This money for the sale of the truck will go into an equipment replacement fund.

City Attorney reported the city could sale the equipment to another entity and not have to bid it out.

Mayor Pro-Tem Bounds moved and seconded by Councilmember Ratcliffe to approve and authorize the City Manager to sell the surplus 1992 fire truck pumper to the College Mound Volunteer Fire Department for

\$63,000. Mayor Fortner called for a vote with all voting AYE, the motion carried.

8. Consider financial assistance from the Tourism Fund supporting a documentary regarding Elise Waerenskjold, a Norwegian settlement at Four Mile Prairie.

Elian Haan, 19629 Valentine, Kemp, Texas 75143 asked for financial assistance for supporting a documentary regarding Elise Waerenskjold, a Norwegian settlement at Four Mile Prairie. Ms. Haan explained that Elise Waerenskjold was one of Kaufman's pioneer citizens who is quite well known in Norway as a writer and women's rights advocate. She was recently recognized in Norway with a commemorative statue and numerous books have been written about different aspects of Ms. Waerenskjold's life. The documentary will be offered to PBS and other networks and if used, will promote Kaufman as a Historic site. Ms. Haan is asking for \$3,300 to Bakke Enterprise for the production of the historical documentary of the life of Elise Waerenskjold.

A great deal of discussion was held regarding the legal use of spending Tourism Fund money supporting this project. After discussion, Councilmember Altom authorized \$3,000 to Bakke Enterprise for the production of the historical documentary of the life of Elise Waerenskjold, with the exception that it is confirmed by the City Attorney it is legal to do so under the laws of the use of Tourism money. Councilmember Council seconded the motion. Mayor Fortner called for a vote with all voting AYE, the motion carried.
