*A listing in this directory is not meant to imply endorsement or approval of the Group's practice of the principles and traditions of Narcotics Anonymous. The groups listed in this directory are included at their request. This meeting directory is for NARCOTICS ANONYMOUS members only for their use in locating meetings.*

## **What is the Narcotics Anonymous Program?**

N.A. is a non-profit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.

There are no strings attached to N.A. We are not affiliated with any other organizations, we have no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious or law enforcement groups, and are under no surveillance at any time. Anyone may join us regardless of age, race, sexual identity, creed, religion or lack of religion.

We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.

## **ABOUT THIS DIRECTORY**

### **Directory Data Source**

This directory is compiled from the data that is recorded on the [www.todayna.org](http://www.todayna.org) website. Each Area of the Southern California Region of Narcotics Anonymous is responsible for maintaining it's own meeting information.

### **Updating Meetings**

Area trusted servants update meetings by using your Internet browser and logging on to: <http://www.todayna.org/cgi-bin/OperatorLogin.pl>  
Each Area should have a website trusted servant who is responsible for a password to update their own meetings. If you are not aware of the password please email [website@todayna.org](mailto:website@todayna.org) with your contact information, phone number and name of the area that you represent. Unless we personally know you, we will have to verify that you are the trusted servant by calling the Area Chair or other representative of your area to verify your commitment. We will call you back and verbally give you your password. You may change it after your initial login.

### **Directory Printing Frequency**

This directory is **not** printed quarterly. It is printed when the inventory levels reach the reorder quantity at the Regional Service Office. This directory takes about 40 hours of volunteer effort to create. It takes about 7-14 days to produce physically once the approval to print is given. We are always looking for vendors who can competitively complete this task in a cost effective and timely manner. By printing on an "as needed" basis, we save the region money by not over printing directories that we would have to discard at the end of the quarter.

### **Volunteers Needed**

If you are interested in volunteering for this directory project please email us at [website@todayna.org](mailto:website@todayna.org) with the subject "Directory Redesign" in the subject. We are currently looking for volunteers who have electronic pre-press and printing experience who are fluent with a major layout program. Currently this directory is compiled using PERL and a word processing macro. We are looking to change this functionality since the technology is old and will be unsupported by the vendor shortly.

### **Review And Input Period**

Because of a mishap that occurred with the directory merge in February 2010, the website subcommittee has formed a special team of volunteers to proofread this directory before it is published. There will be a one-week "Review and Input" period from the day of merge and mailing to this group. The group will have one week to reply to all the problems found in the directory. If you would like to participate in this group please email [website@todayna.org](mailto:website@todayna.org) with the subject "Directory Review And Input Volunteer" in the title of the email. Once your information is received you will be added to the [directory@todayna.org](mailto:directory@todayna.org) mailing list.

[Website@todayna.org](mailto:Website@todayna.org)

### **How do I update [www.NA.org](http://www.NA.org)?**

You must send an email to [fsteam@na.org](mailto:fsteam@na.org). They have their own application process to update meetings.

# The Twelve Steps of N.A. ©

If you want what we have to offer and are willing to make the effort to get it, then you are ready to take certain steps. These are the principles that made our recovery possible.

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable
2. We came to believe that a power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God, as we understood him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked him to remove our shortcomings.
8. We made a list of all persons we had harmed and became willing to make amends to them all.
9. We made direct amends to such people whenever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong, promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood him, praying only for knowledge of his will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addict and practice these principles in all our affairs.

# The Twelve Traditions of N.A. ©

1. Our common welfare should come first; personal recovery depends on N.A. unity.
2. For our group purpose, there is but one ultimate authority—a loving God as he may express himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
5. Each group has but one primary purpose—to carry the message to the addict who still suffers.
6. An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every N.A. group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. N.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
