Excellence in Public Education on display at Epping Boys High School

Epping Boys High School and Cheltenham Girls High School Combined Wind Ensemble performing in Canberra

The Combined Wind Ensemble from EBHS and CGHS played under the baton of Mr Lindsay Frost in the Australian National Eisteddfod in Canberra. This is the first time the two wind ensembles have joined to perform together. They won first place in the Australian National Eisteddfod and their performance was deemed to be at platinum level. The Combined Wind Ensemble also won first place in the City of Sydney Eisteddfod. They will feature in the Australian International Music Festival with performances in the Sydney Conservatorium and Sydney Town Hall. Congratulations to all performers in this combined wind ensemble.

IGNITE Excellence Awards 2015

On Tuesday evening, 2 June, I was proud to attend the Northern Sydney Institute 2015 Excellence Awards which recognised Sam Parkinson, Year 12 (2014), as the TAFE Vocational Education and Training Student of the Year.

Sam attained his Certificate III in Information, Digital Media and Technology (Network Administration). Sam received units towards his ATAR and gained a head start in the IT industry. He was ranked 8th in the state for his TVET course and was awarded a University of Technology Bachelor of Information Technology study scholarship. Sam is currently working two days a week as a systems engineer and completing his Bachelor of Information Technology.

On behalf of Epping Boys High School, I wish Sam every success in his future.

NSW All Schools Swimming

Extending from the successful NSWCHS carnival, nine of our students progressed to compete at the New South Wales All Schools Swimming Championships. This is a state-wide event with public, Catholic and independent schools all competing. Epping Boys High School competed in the 6x50m All Age Relay (Haydyn, Alex, Anthony, Tom, Jack, Bayley) and 14 Years Relay (Michael, Liam, Ciaran, Anthony). Haydyn also competed in the 12 Years 50m Butterfly.

Well done to these boys for their efforts. They have represented the school to the highest standard!

Deputy Principal - Senior School - Lowcock

Year 12 Week 7 has seen every Year 12 student hold informal conversations with the Principal, Year Advisor, Relieving Head Teacher Senior School or myself to discuss aspects of their final year: progress in their studies; how they are feeling at this stage; ways to improve; things the school can do to help them at this stage; future directions and reflections of their time at EBHS. It has been beneficial for both the students and the staff with the information shared. A very pleasing aspect of the discussion was how positively the boys spoke of their time here at EBHS and of their teachers who work so hard for them to achieve to their best.

Numbers are looking good for the Graduation Dinner, and some boys have decided to go alone, even if their parents can't attend. I hope these boys are able to find "adoptive parents" on the night as the evening obviously will mean a lot to them, as part of the winding down of their secondary studies.

I see there are 36 different assessment tasks left in the last three weeks of this term and the first two weeks of next term in 27 different subjects. I hope parents can cope with the stressed young men who are undertaking these various tasks! The two week period of the Trial HSC starts on July 27.

Year 11 While mentioning assessment tasks, Year 11 do not have quite as many (25 in 20 subjects) but there is a need to be well organised and to plan for the due date of the task - last minute cramming or all night vigils are not the way to achieve the best results. Students should also ensure they follow up on the feedback their teachers give them so they can improve for future tasks.

Research has shown that feedback given to students by their teachers is one of the main ways to enhance learning. When a teacher at EBHS gives feedback to a student, the next step for the student is to use the advice of his teacher to improve his result in the future. This improvement process may involve catching up on work missed, doing further reading or research, focussing on answering the questions asked, better setting out of responses, participating more in class discussion (helps to verbalise their thoughts) and further discussion with the teacher, as well as a variety of other aspects.

Year 10 A group of our Year 10 boys is being given the opportunity to do a school to work program which will be one day per week throughout Term 3. We have invited boys who have indicated they are keen to leave school as soon as possible, or immediately they turn 17 (the legal leaving age), or who are disengaged in their studies, or boys who need to find some direction in their life as regards their future studies and plans. The program will involve industry and TAFE visits, guest speakers, assistance with resume and job applications, interview practice, individualised career transition plans and more. The boys hopefully will be better prepared for the next stage of their life – whether that is further study at school or TAFE, apprenticeships or direct entry into the workforce. EBHS has received limited funding for this program and at this stage it is cost free to the boys. However, the limited funding means limited numbers can participate.

A very experienced Careers Advisor in this sort of program, Judy Green, has kindly made herself available to run this program for the boys. I hope those who are given the opportunity make good use of this new and rare experience.

Due to a lot of questions recently on the RoSA for **Year 10**, I include the following information based on the BOSTES (Board of Studies, Teaching and Educational Standards NSW) criteria.

Students will generally be eligible for the RoSA after four years of secondary school. To qualify for the RoSA a student must have:

- attended a school;
- completed courses of study that satisfy the Board's curriculum and assessment requirements for the RoSA;
- complied with all requirements imposed by the Minister or the Board; and completed Year 10.

Students leaving school who are not eligible for the RoSA will receive a Transcript of Study. This will display a Grade from A to E (with A being the highest) for any completed Stage 5 and Preliminary courses (Years 10 and 11, typically). It will also show any VET or Life Skills courses completed up until a student has finished school.

For the satisfactory completion of a course, it is the student's responsibility to:

- follow the course developed or endorsed by the Board;
- apply yourself with diligence and sustained effort to the set tasks and experiences provided in the course by the school; and
- achieve some or all of the course outcomes.

Principals may grant students leave for legitimate reasons, such as illness or physical injury. Any extensive period of unexplained absence may result in non-completion of course(s) and may affect eligibility for the award of the RoSA.

It is a requirement for the award of the RoSA that Year 10 students attend school until the final day of Year 10, as determined by the school system or Principal, unless an exemption has been granted by the Principal.

If there is a danger of not completing a course satisfactorily, a warning, in writing, in time to correct the problem and satisfactorily complete the course will be issued.

If a student has not completed a course, they will receive an 'N' determination. Any mandatory course will be listed as 'Not Completed' on the Transcript of Study and this will mean that the student will not be eligible for a RoSA.

Students have the right to appeal against an 'N' determination. Appeals are first heard by the Principal and, if not satisfied with the result, a student can appeal to the Board of Studies. The Boards' decision is final.

On course completion, a student will receive their VET credentials from the relevant Registered Training Organisation (RTO) and the course will be listed on their RoSA.

Deputy Principal Middle School - Ralph David

Permission to Publish and Online Services Permission

Parents received a letter a few weeks ago requesting permission to publish information about your son for the purposes of sharing his experiences with other students, informing the school and broader community about the school and student participation in noteworthy projects or community service. The letter also included a request for students to have access to online services. A number of parents chose not to give permission. The result of this is that the students will not have access to the internet via the student DET portal and will not be able to participate in learning where the internet is involved at school. If you have chosen this option and wish to change it, please complete and re-submit the form. The form is attached to this newsletter. If you have any questions regarding this, please direct them to Mr Ralph David.

Grandparents Day

Grandparents Day will take place on 16 June 2015. Grandparents Day provides an opportunity for students in Year 7 to bring their Grandparent to school to share school experiences across the generations. The event is planned by the Middle School Team with Ms Catherine Tang leading the organisation for the day. This year we are hoping to increase the number of grandparents attending, providing translations of the invitations, and extending the concept of grandparent to include close elderly members of the family where a grandparent is unable to attend. We have placed greater emphasis on student involvement this year with the Year 7 student mentors from Year 10 facilitating the event. The day is a lot of fun and a great opportunity to build bridges between generations, the school and community.

Subject Selection Evening for students moving from Year 8 to 9

Subject Selection Evening for students moving from Year 8 to 9 will be held on 14 of July. This is the first school day back for student in Term 3. The evening provides important information to support decision making for students choosing elective subjects for Years 9 and 10. At Epping Boys High School students have the opportunity to select 3 elective subjects. Two of the subjects are 200-hour courses and one is a 100-hour course. Subject selection booklets are currently being updated and will be provided to families to help with the decision making process. We are looking forward to seeing all parents there on the night.

P&C

P&C Meeting – 1 June Feedback

Thank you to all parents attending and contributing to our meeting.

Mr Michael de la Pena presented the Science Facility's plan to hold 'Vivid' Installations during *The Evening of Music* event (which also coincides with National Science Week). The Science Facility was successful in being awarded a \$500 grant award and the P&C agreed to support the project with a further \$1,500.

School bus replacement: The current school bus is a 1991 model and is now needing regular maintenance and repairs and is becoming unreliable. The school bus is used regularly to take boys to sporting events, excursions and Duke of Edinburgh events. Mr O'Brien has requested that the P&C fund a replacement bus.

Motion on Notice: That the P&C fund up to \$120,000 for a new 22-seater bus. The motion will be raised and voted upon at the next meeting scheduled for Monday 3 August 2015.

At the same August meeting Mr Simon Percy, School Counsellor, will present on "Dealing with mental health concerns in adolescent boys and young men".

A Meeting Notice will be sent by email during the preceding week.

Susan Day, P&C President 0418 213212 / susan.day388@gmail.com

Law Society of NSW Mock Trial - Jaye Dunn - Social Sciences

The Law Society of NSW conducts a Mock Trial competition for high school students each year. It gives participating students invaluable knowledge on the operation of the legal system, as well as assisting to develop their debating and critical thinking skills. Each round of the Mock Trial is presided over by a real local court magistrate or practising lawyer, giving the students connection to the legal world.

On Monday 25 May, the Epping Boys Mock Trial team took on Pymble Ladies College in the third of the non-elimination rounds. The Epping team were the prosecution in the mock criminal trial regarding negligent driving. James the solicitor, along with barristers Sahil and William, performed exceptionally well against our well-trained opponents. Cameron and Alex played the role of our witnesses and were cool and calm under the pressure of questioning and cross-examination, even throwing in some of their own answers, rather than just the prepared ones. Nikhil also played the important role of the Court Officer. Not everyone involved could have a speaking role so our boys were well supported by a team of researchers, who were present on the night as the audience. They were Michael, Kyron, Jayfer and Jacob.

The boys stood up to the challenge of the girls and with their well-prepared questioning, cross examination and excellent opening and closing statements, won the trial, "beyond reasonable doubt." James, in his role of solicitor, had prepared well researched notes for the barristers in the trial. The questioning and cross-examination of our solicitors were fantastic and both Sahil and William presented very worthy opening and closing arguments, respectively. The team handled the pressure from the barrage of objections from the opposition well and did the team and the school proud. Unfortunately, the team lost on points 277-274, but are well placed to see us move into the next round. Well done, boys!

Sports Central - Congratulations and Well Done

CHS Swimming

A squad of 19 swimmers represented Epping and the Sydney North region at the New South Wales Combined High Schools Swimming Championships, held at Sydney Olympic Park Aquatic Centre. The boys competed in a total of five different relays and 12 individual events (including para-athlete events).

Epping Boys has a deep history when it comes to representative swimming, and has always had students competing at high levels. These young men represented the school in a positive light and continued the tradition of swimming excellence.

I would like to thank each boy for their efforts not only in the pool, but out of the pool, sacrificing their class time, social time with friends, and generally conducting themselves in a mature and responsible way. I also wish to thank the commitment of the “swim parents” who give up their valuable time to come to the meets, take their sons to training, organise the boys in their events, keep them fed and hydrated and for their general support in EBHS sport. Behind every great athlete is a great parent!

Highlights

EBHS – 8th boys school at CHS

17th school overall in CHS (not bad considering we don't have any girls at the school!)

All Age Relay

1st - Haydyn, Alex, Anthony, Tom, Jack, Bayley

14 Years Relay

1st - Michael, Liam, Ciaran, Anthony

Haydyn 5th 50m Freestyle, 4th 100m Freestyle, 6th 100m Butterfly

Anthony 9th 50m Freestyle, 10th 100m Freestyle

Tom 6th 100m Breaststroke, 6th 100m Butterfly

Hugh 10th 50m Breaststroke Multi-class, 11th 50m Butterfly Multi-class

Cross Country - Matt Morgan - Cross Country Captain

On Thursday 7 May, Epping Boys High School held the annual cross country carnival. There was much anticipation for the day, due to the heavy rain suffered during the past few weeks, and luckily the weather was perfect. As always, participation was high with spectacular performances from all ages.

The age champions were: 12 Years – Alexander Harrison; 13 Years – Chris Doherty; 14 Years – Chris Maguire; 15 Years – Nikolai Paxton; 16 Years – Harrison Wade; 17 Years – Alex Pritchard. These boys deserve special mention as their performance won the most points for their respective houses, resulting in Harris winning the day with 295 points, followed closely behind by Darvall with 281 points, Midson with 277 and Terry trailing with 230 points.

Congratulations has to go to all the boys who competed with great enthusiasm. Special thanks to all the teachers and students who made the day possible and ensured it ran smoothly.

Zone Cross Country

After an incredibly successful school cross country the Epping Boys High School zone cross country team competed in the North West Metropolitan Zone cross country. The day was one of great success for the school as Epping Boys won the 12 Yrs, 13 Yrs, 14 Yrs, 15 Yrs, 16 Yrs and 17 Yrs age groups leading to Epping Boys winning the carnival overall. Notable performers on the day were:

12 years- 1st Alex Harrison, 3rd George Davis, 5th Max Depalo, 9th Aiden Emeleus and 10th Dylan Ng

13 years – 1st Ethan Nicol, 2nd Alex Doherty, 3rd Riley Leverett, 4th Aaron Goh, 6th Cameron Fong and 7th Charlie Workman

14 years – 2nd Chris Maguire, 4th Logan Wade, 5th Jethro Thornton, 7th Nicholas Nielson, 9th Liam Doherty and 10th Ciaran Simmons

15 years – 1st Nikolai Paxton, 5th Jack Talty, 8th Matt Palmer and 10th Cameron Clarke

16 years – 1st Harrison Wade, 5th Sam Lucas, 6th Ned Bisset, 8th Robbie Hill and 10th Kayne Domanko

17 years – 1st Mitchell Hubble, 2nd Alex Pritchard, 3rd Nathan Jose, 6th Jack Armson and 7th Lachlan Barnert

18 years – 2nd Matthew Morgan and 4th Hiroto Shizuka

Matt Morgan – Cross Country Captain

Students who have received 30 1st Grade Game Ties

Patrick Carfax - Cricket
 Josh Condon - Cricket
 Cameron Court - Cricket
 Anushka Dissanayake - Cricket
 Nic Ford - Cricket
 Rohan Gopal - Cricket
 Aaditya Krishnaswamy - Cricket
 Adrian Craig - Cricket
 Brok Forrest - Baseball
 Oliver Hemmett - Baseball

Silver Medallists in Eastwood Thornleigh District Tennis Association Secondary Schools Competition

Brynn Gillespie and Aaditya Aron at Pennant Hills Park on Saturday 16 May.

Sportsman of the Week

comes from the mighty 14B's football team. After our forwards missed a couple of chances to score, our goal keeper, Wes, kept us in the game with some fantastic saves.

From the sideline, it looked as though we had 'Spiderman' in goals, as every save stuck to his hands like glue.

Wes also showed great courage by consistently throwing himself at the feet of the attacking players.

Unfortunately, the 14B's were defeated 2 –1 by Homebush A's, but the boys are sure to win many games if we continue to maintain our commitment and enthusiasm.

U15 AFL Swan Shield Knock Out

A dominant display was shown by the U15 AFL Swan Shield Knock Out team last week, crushing Pennant Hills High School by 78 points before following up with an 81 points win in the final for Sydney North Metro zone over Narrabeen Sports High School.

Well done to our Captain Shannon C, who was at his brilliant best all day and was voted best on ground. The boys will now take on the Central Coast later in the term. Congratulations boys, and good luck in the next round.

Bundanon Art Camp - May 2015

From 25-27 May, Years 10 and 11 Visual Arts students and teachers travelled to the Bundanon, trust property of the late Australian artist Arthur Boyd in the Shoalhaven River area.

The days were spent on the inspiring property of Bundanon. Boys visited Arthur Boyd's original studio and homestead and worked within the conditions of the landscape to create art. They were able to further develop their skills through drawing and painting workshops.

EPPING BOYS HIGH SCHOOL GENERAL PERMISSION TO PUBLISH

Publishing student information

Epping Boys High School/Department of Education and Communities may publish information about your child for the purposes of sharing his/her experiences with other students, informing the school and broader community about school and student activities, and recording student participation in noteworthy projects or community service.

This information may include your child's name, age, class and information collected at school, such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media.

The communications in which your child's information may be published include but are not limited to:

- Public websites of the Department of Education and Communities, including the school website, the Department of Education and Communities intranet (staff only), blogs and wikis.
- Department of Education and Communities publications including the school newsletter, annual school magazine and school report, promotional material published in print and electronically including on the Department of Education and Communities' websites.
- Official Department of Education and Communities and school social media accounts on networks such as YouTube, Facebook and Twitter.

Parents should be aware that when information is published on public websites and social media channels it can be linked to by third parties and may be discoverable online for a number of years, if not permanently. Search engines may also cache or retain copies of published information.

Please complete and sign the form on the next page. Any concerns or questions you may have regarding publication of information about your son, may be directed to the Principal, or the Deputy Principal Mr Ralph David.

Yours sincerely,

Tim O'Brien
Principal

Permission to Publish

I have read the information about publishing student information, and

Tick the appropriate box

- ☐ I give permission to publish information about my child as described above.
- ☐ I do not give permission to publish information about my child as described above.

Online Services Permission

The Department of Education and Communities provides students with access to the Internet, a customised Gmail account and online applications such as Google Apps. These resources enable students to collaborate with peers, publish online and create personalised research portals.

When accessing some online services your child's data, including but not limited to, your child's name and works may be shared with and stored in a location outside of the Department of Education and Communities environment.

Tick the appropriate box

- ☐ I give permission
- ☐ I do not give permission

for my child to have access to online services provided by the Department of Education and Communities.

Teenagers, alcohol and other drugs: How much influence do parents really have?

Lane Cove Council and the Family Referral Service
present:

A Workshop for Parents by Paul Dillon

Tuesday 2 June 6:30pm – 8:00pm

Lane Cove Library

Paul Dillon has been working in the area of drug education for the past 25 years. He has had extensive experience working with young people and delivering seminars to parents about how to empower parents with a positive message and assist them in having open and honest family discussions on this complex area.

Learn about:

- The prevalence of alcohol and other drug use by young people, with particular emphasis on the latest evidence on the risks associated with teen drinking
- The positive influence that parents can have on their child's drinking behaviour
- The barriers that you and your child may face during adolescence.

Bookings are essential and will be taken on a first come, first serve basis. To book: email each attendee's name, postcode and email address to hrose@lanecove.nsw.gov.au or call 9911 3586

SMS NOTIFICATIONS

Absences

If you receive a text regarding your son's absence, please only reply if he is sick or on leave.
If you believe your son is at school or on a school excursion etc., please telephone the school on 9869 2701.

General SMS Information

Due to the SMS system we have, all text messages are sent in bulk from the computer. We are unable to reply to any text messages we receive. If you have any queries about an SMS please phone the school on 9869 2701.

Notification of Absence

If your son is going to be absent, please call the school ASAP and upon return, please use the following form to explain your son's absence. NB: Early Leavers form should be submitted to the Front Office in the morning before 9.00am. Any other notes are to be submitted during roll call or handed to the Front Office.

If your son will be away for five or more days, an exemption form must be filled out and submitted to the Principal two weeks prior to absence. Exemption forms may be collected from the Front Office.
