**ENGLISH SKI COUNCIL LIMITED
REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED
31 DECEMBER 2008**

ENGLISH SKI COUNCIL LIMITED

REPORT OF THE DIRECTORS

The directors present their annual report of the company together with the audited accounts for the year ended 31 December 2008.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that year. In preparing those financial statements, the directors are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) make judgements and estimates that are reasonable and prudent;
- (c) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In the case of each of the persons who are directors at the time when the directors report is approved:

- so far as the director is aware, there is no relevant audit information (information needed by the company's auditor in connection with preparing his report) of which the company's auditor is unaware, and
- each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Principal activity

The principal activity of the company remains the promotion of Snow Sports through participation at all levels up to British Team standard and by the organisation of competitions and national coaching scheme activities for instructors, coaches and officials.

Income has declined slightly in 2008 due to a reduction in Sports Council grants. However, the level of Registrations and Renewals income this year was broadly unchanged, after a period of strong growth between 2004 and 2008. Although the dependency on Sports Council grants has reduced to just 2% of total income in 2008 compared to over 10% 4 years ago, this picture will change as the Sport England Award Grant comes on stream.

With the total Award over the next four years amounting to just under £1,000,000 the organisation will be meeting some significant challenges to deliver the outputs required under the Award contract. The winning of this Award is a major achievement for Snowsport England and the promotion of snow sports generally and places the organisation in a good position to maintain its place as the key Snows Sports governing body in England.

The organisation has achieved a post-tax surplus for the year of £11,324 which is added to reserves. Individual Discipline activities over the year have been very successful and this is testimony to the continued and significant contribution that Key Committees make. Snowsport England has also continued to invest to improve member benefits and this has enhanced its standing and reputation within the snow sport community. For next year the key challenges will be to maintain this momentum and work to ensure the success of the new coaching scheme.

We appreciate the 2008 financial support from Sport England and 'in kind' sponsorship from other sources which are listed in the Annual Report. Very special thanks must also be given to all the volunteers that give their time, effort and commitment in making Snow Sports successful.

Directors

The directors who served during the year were:

S G Smith (resigned 17/05/08)
N J Matthews
B K Spouge
D R Hart
M F Whyatt (resigned 17/05/08)
