

FORMAT I: PROPOSAL LETTER FOR THE ADMISSION OF A NEW HEAD OR CORRESPONDING ACADEMICIAN –  
MAIN ACTIVITY OF THE CANDIDATE: RESEARCH AND TEACHING

Mexico City, \_\_\_\_\_, 2015

Jaime Parada Avila, PhD  
Chairman of the Admission Committee  
*Academia de Ingeniería, A.C.*

Name of the candidate: \_\_\_\_\_

Merits, achievements, and contributions of the candidate

- I. Education – Include, preferably, those aspects of the candidate’s profile and experiences that may be particularly useful for the objectives and tasks of the Academy of Engineering, in case the candidate is accepted.
- II. Works performed – Performance in technological research and innovation, as well as in teaching and training of human resources. Furthermore, preferably include references to specific projects and/or publications that the proposer considers significant to be submitted to the consideration of the Admission Committee.
- III. Impact of the candidate’s academic production.
- IV. In case the engineering activity of the candidate satisfies two or three of those stated in the Convocation (Research and Teaching, Professional Activity at the Public Sector, Professional Activity at the Private Sector), please state so.
- V. In case the experience of any type of the candidate, not included in the paragraphs above, may be useful for the objective and purposes, please also state so.

Sincerely,

---
