Ms. Lorraine and Mr. Sam would like to invite all students to participate in the first ever DCS Montessori Arts Festival! Our school is blessed with some amazing student talent and we would like to showcase the students through an arts and crafts exhibit as well as a performing arts talent show! We will have professional judges awarding 1st -3rd place in each category. We will use this opportunity to help raise funds for both the music and art departments to be able to expand what is offered to the students through their programs. We would also like to extend festival to the literary arts by adding short story and poetry. The students can choose from the categories below and enter in as many categories as they would like. Being that this is a fundraiser, we are asking for an optional entry fee donation of \$5.00 per entry. The students have an option to have their art donated for a silent auction. The following categories will be judged by primary, lower elementary, upper elementary and middle school. Ms Lorraine and Mr. Sam will have the rules and regulations for each category.
