The **Epic line** has the look of custom, but at the cost of modular! They are simple, strong and beautiful with a high-end appearance. Available in your choice of laminates to match your display, or we'll use fabric if you prefer. Epic cabinets will support up to 300 lbs.

New **UltraLite** cabinets are a lighter weight and less expensive line made with flexible plastic tambour. **(Many of the cabinets have the same curve as a pop up so they can nest against the backwall.)** UltraLite panels are finished with fabric, or can be ordered as "Graphic-Ready" if you want a smooth finish to adhere graphics. UltraLite cabinets support up to 100 lbs.

UltraForm **Rental** cabinets are available many models, at a fraction of the cost of purchase. They are available with Coal or Silver FrontRunner fabric and Wilsonart Graphite Nebula tops. Rental period is a generous 30 days and we offer an option to purchase after the rental period.

Our **Cases** are heavy-duty, rotomolded with wheels and handles. Most are UPS and Fedex shippable. The Jumbo Shipper is a good alternative to heavy wood custom crates. Jumbos ship via truck line.

FREIGHT TERMS & RESPONSIBILITIES

IMPORTANT:

All freight charges are the responsibility of the UltraForm DEALER.

OUTGOING FREIGHT:

All outgoing freight charges are to be prepaid or billed direct to the dealer or end user through the carrier.

a. Prepaid freight:

UltraForm highly recommends that orders be shipped "prepaid freight." For all COD orders, or upon request by dealers with terms, UltraForm will provide a freight estimate as a separate line item on the confirmation of the order sent to the dealer. This estimate can change under the following conditions:

1. Changes to ship to address.
(Final destination)
2. Changes to items ordered.
(Affects weight and dimensions)
3. Changes to need date or lead time.
(Time in transit)
4. Additional charges to be known after shipment is delivered. These include wait time at showsites, large package/oversize fees, fees incurred due to incorrect ship to addresses, and other post-estimate charges billed to UltraForm. These charges will be billed to the dealer when imposed by the carrier. A separate invoice may be issued.

A revised confirmation will be provided should any of these changes occur prior to ship date. Freight charges will be adjusted accordingly.

Prepaid freight will only be allowed through carriers of UltraForm's choice. These include UPS, FedEx, and many well known LTL/FTL carriers. UltraForm has established discount relationships with these carriers, and will make every attempt to provide the best possible freight estimate. UltraForm will also be responsible for making all arrangements with the prepaid freight carriers.

A handling fee is included in this prepaid freight charge. UltraForm will track all packages at the dealer's request. UltraForm will be responsible for contacting the freight carrier in the event of any delays or transit problems. UltraForm will also process any necessary paperwork in regards to freight-related claims.

b. Freight billed directly to dealer or end user:

These guidelines must be followed if freight is to be billed directly to the dealer or end user. This option may only be used under the following conditions:

1. Freight carrier's name, address, phone & fax number must be provided.
2. Dealer's or enduser's freight account number must be provided.
3. If enduser's freight account number is to be used, then enduser's complete name, address, phone & fax number must also be provided. A "3rd Party Billing Information Request Form" will be faxed to the dealer to facilitate this process.
4. Method of shipment must be designated (i.e. service level-overnight, 2-day, 3-day, other; air freight vs. sea freight; etc.)
5. Dealer is responsible for contacting the freight carrier for pickup arrangements. Pickup from UltraForm's shipping dock should be scheduled between 3- 5pm EST.
6. ALL delays, transit problems, and freight related claims are the responsibility of the DEALER.
7. These shipments cannot ship COD. Balance of order must be prepaid prior to scheduled ship date.

Note: All enduser 3rd party pickups will be subject to a \$10.00 processing fee.

IMPORTANT NOTE REGARDING INVALID FREIGHT ACCOUNT NUMBERS:

UltraForm System Cabinetry Inc.

Limited Lifetime Warranty

General Statement: UltraForm System Cabinetry Inc. provides a limited lifetime warranty against defects in materials and workmanship. This warranty is extended to the Dealer and the Customer who purchases the product directly from the Dealer. This warranty is non-transferable.

UltraForm will make every effort to make delivery of equipment as designated by the Dealer, but UltraForm will not be liable for late delivery. Moreover, UltraForm will not be liable for any failure to deliver resulting from circumstances beyond its control. These include, but are not limited to, suppliers' failure to provide required materials, Force Majeure and errors in shipping by freight carriers.

Damage in Transit/Freight Warranty Claims:

Shipments must be checked immediately upon receipt for damage making note of any visible damage on manifest or bill of lading. Contents must be checked for accuracy and concealed damage. UltraForm must be notified of any damages or discrepancies within 48 hours of receipt. Failure to follow these requirements relieves the shipper and carrier of shipment responsibility and will result in denial of any claims.

UltraForm's Warranty and Limitations:

UltraForm warrants that its products, when properly used, stored and maintained, will be free from defects in material and workmanship.

All warranty claims must be made through the Dealer. The Dealer shall provide UltraForm with written notice of any claimed defect within five (5) days of discovery thereof (except "Damage in Transit/Freight" claims covered above) and shall provide satisfactory proof thereof. UltraForm's obligations and the Dealer's or Customer's exclusive remedy under this Warranty shall be limited to repair or replacement by UltraForm, at UltraForm's option, of the products which prove to be defective.

THIS LIMITED LIFETIME WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES WHETHER ORAL, WRITTEN, EXPRESSED, IMPLIED OR STATUTORY. IMPLIED WARRANTIES OF FITNESS AND MERCHANTABILITY SHALL NOT APPLY. ULTRAFORM'S WARRANTY OBLIGATIONS AND THE DEALER'S AND CUSTOMER'S REMEDY THEREUNDER ARE SOLELY AND EXCLUSIVELY AS STATED HEREIN.

The limitations and protections against liability afforded UltraForm herein shall apply to any action or claim in connection with the products sold by UltraForm, whether based on contract, tort, statute or otherwise (including negligence, warranty and strict liability). UltraForm's cumulative limit of liability for such actions or claims shall not exceed the purchase price of the products which prove to be defective. UltraForm shall not be liable to the Dealer, the Customer or any other person or entity for any indirect, special, incidental, punitive or consequential damages, arising from the sale of products or in connection with the use or inability to use the products for any purpose whatsoever, irrespective of whether the claims or actions for such damages are based upon contract, tort, negligence, strict liability, warranty, guarantee or otherwise.

The Dealer's and the Customer's remedies are specifically limited to the repair or replacement at UltraForm's option of products found to be defective and are exclusive of all other remedies. Should these remedies be found inadequate or to have failed of their essential purpose for any reason whatsoever, each of the Dealer and the Customer agrees that return to Dealer by UltraForm of that portion of the purchase price relating to the defective products shall prevent the remedies from failing of their essential purpose and shall be considered by the Dealer and the Customer as a fair and adequate remedy.

UltraForm reserves the right to determine the final resolution of all warranty claims. Verbal approval for claims may be granted upon the initial information provided by the Dealer via phone or fax. However, if it is determined that the defect or damage is excluded from this warranty as set forth below, the Dealer will be responsible for all costs including, but not limited to, production time, materials, and freight costs incurred by UltraForm.

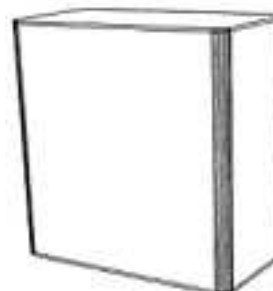

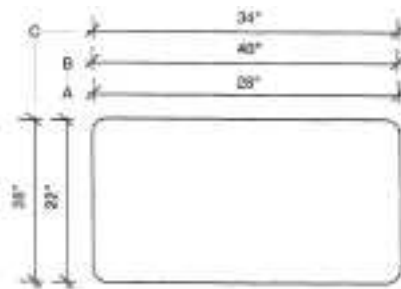

A return authorization must be approved prior to return. The Dealer should contact UltraForm's Customer Service Department for instruction related to the return authorization. If the Dealer fails to request a return authorization prior to making a return of goods, UltraForm will not be responsible for lost or misdirected shipments. It is the Dealer's responsibility to coordinate with UltraForm to meet required deadlines and need dates.

UltraForm will pay round trip freight charges on all valid warranty- related shipments up to 90 days from initial ship date. The ship method for these returns will be left to UltraForm's discretion. For warranty claims placed after 90 days from initial ship date, Purchaser pays all expenses to and from UltraForm's Scottsville, New York location.

Exclusions from UltraForm's Warranty:

UltraForm's warranty does not extend to: normal wear and tear (i.e. scratches, loose screws, scuffs and marks on cases, etc.); bending or warping due to improper storage (parts must be stored properly and in temperature-controlled environments); delamination caused by inappropriate use; or damage caused by misuse of abuse (i.e. damaged corners, cracks in laminate, etc.), including damage as a result of failure to follow repacking instructions. This list should not be considered all-inclusive.
