**T**he beautiful Channel Islands lie in the mild waters of the gulf stream, a hundred miles due south of England, and they normally enjoy a high level of sunshine all year round.

Rich in natural beauty they make the perfect holiday choice. There are superb sandy beaches, rocky headlands and tiny secluded coves with a sparkling sea. Inland, the many winding lanes take you along lush green valleys layered with wild flowers. And they don't cost the earth!!! Each island offers great value for money and when you arrive you won't have any price shocks as you still pay in pounds, not euros – so shopping is a great pastime – and there's no VAT to pay either – plus as a further treat you still get your duty-free allowance to bring home.

Jersey and Guernsey have many obvious attractions and the smaller islands of Alderney, Herm and Sark (each with their own individual charm) have all the ingredients for a surprisingly different holiday.

## OUR HOLIDAY PRICES OFFER SUPERB VALUE!

## CUSTOMER FEEDBACK

*"It seemed only right to drop you a note after the lovely autumn break that we enjoyed. The arrangements that you put in place were excellent, from the upper floor window seats on the CAT each way, to the sea-facing room that you recommended at our hotel and for recommending it to us in the first place. It matched our requirements exactly in terms of location, quality and facilities. I don't know whether you had anything to do with us being on the top (second) floor, but this is exactly where we would have chosen to be, best views and greatest privacy. And of course we really appreciate how you were able to change our holiday dates at such short notice".*

Julie Borrowdale, Middlesbrough

*"We just wanted to thank you and your staff for the consideration and courtesy shown to us and to say that we shall certainly use your company again for future holidays in the Channel Islands. The staff who spoke to us on the telephone were so nice, and we wanted to ask you to pass on our very grateful appreciation. We look forward to using your company again in the future".*

R & M Adderley, Stoke-on-Trent

*"A big thank you to all at Travelsmith and Condor Breaks for their excellent service and customer care, nothing is too much trouble. A wonderful start to our 'breakaway'".*

The Browns, Tewkesbury

Jersey, a little over 100 miles off the south coast of England and just 9 miles by 5 miles, but within that 45 square miles – what an island of unexpected contrasts – rich in natural beauty with superb sandy beaches, leafy winding lanes and with a history dating all the way back to William the Conqueror and beyond ... Jersey has nearly 30 forts and towers dotted around its landscape.

## Life's a beach

Jersey has miles and miles of glorious beaches and with the third highest tide in the world, the Island almost doubles in size when the tide is out...

**St. Brelade's Bay** – South facing and probably most people's favourite with the Fisherman's Chapel tucked beside, when the tide is out you can walk around to Ouaisne Bay. When the sun shines St. Brelade's is as good as any beach anywhere in the world.

**St. Ouen's Bay** – a five mile expanse of sand washed by the Atlantic ocean stretching the full length of the West coast. When the tide recedes you can get to Corbiere Lighthouse and La Rocco Tower.

**Beaumont** – one of Jersey's most delightful beaches and a veritable sun trap on the South coast, Beaumont could easily become overcrowded but the long trek down a fairly steep path from the car park at the top of the bay helps keep it from becoming too busy. South facing and surrounded on three sides by the cliff, the beach is sheltered from most winds.

**Greve de Lecq** – on the North West coast with high surrounding cliffs and popular with families of all ages.

**Rozel** – full of beach huts and beautiful cottages, Rozel harbour is the place to totally unwind and relax.

**Grouville Bay (or Long Beach)** - offers a long stretch of sandy beach that is safe for bathing.

Other beaches and bays include Anne Port, Archirondel, Bonne Nuit, Bouley Bay, Green Island, Havre des Pas, La Rocque, Plemont, Portelet and St. Aubin's Bay.

## Visitor Attractions

### Durrell Wildlife Conservation Trust

Famous author, naturalist and broadcaster Gerald Durrell founded the Durrell Wildlife Conservation Trust over 50 years ago with the mission to save endangered wild animals from extinction; his park is the Trust's international headquarters and plays a crucial role in this mission. Here conservationists work closely

with the animals to better understand what is required to ensure they survive in their natural habitats. This information is shared with colleagues working on wild animal projects worldwide.

### Jersey War Tunnels

Jersey War Tunnels tells the true story of the Occupation of Jersey during WW2. It is one of the Island's most popular tourist attractions as well as an important site of heritage conservation and interpretation.

Jersey War Tunnels is a permanent reminder of the German Occupation of Jersey, which lasted almost five years until the island's liberation on 9th May 1945. The tunnel complex, formerly known as Höhlengansanlage 8 (Ho8), now plays host to a series of galleries detailing Occupation history through the diverse experiences of those who lived through it. Visitors will be led through the events of evacuation, deportation, captivity and siege, to eventual liberation.

### Mont Orgueil Castle

Mont Orgueil Castle, has protected Jersey against French invasion for over 600 years and is an exciting place to visit. Every time you visit you'll discover a staircase you've not seen before opening up into a room where you'll find something new.

Other attractions include:

**Elizabeth Castle** – built on a rocky islet in St Aubin's Bay, Elizabeth Castle has defended Jersey for more than 300 years.

**Jersey Museum and Art Gallery** – presents history from 250,000 years ago when the first people arrived in Jersey and continues through the centuries to explore the factors that have shaped this unique island and the people who live here.

**La Hougue Bie** – one of Europe's finest passage graves set in beautiful surroundings, where you can learn about life in Jersey's Neolithic community 6,000 years ago.

**Jersey's Living Legend Village** – features The Jersey Experience which provides a multi-dimensional insight into Jersey's heritage and history.

**Jersey Lavender** – has been grown under Jersey sunshine on the working family farm for over 30 years.

## Food glorious food

Jersey is blessed with an abundance of wonderful places to eat, bistros, cafes, gastro pubs, restaurants specialising in Chinese, Indian, Italian and Thai cuisine as well as more traditional English food and with its proximity to France many restaurants serve great French dishes. There is no better time to experience them and take advantage of bargain prices than during 'Tennerfest' which runs from the beginning of October for six weeks. With innovative menus starting from just a tenner. As time has gone on inflation has eaten into the £10, the tenner of twelve years ago has an actual value in Jersey today of almost £15. There are fixed price menus at £12.50, £15 & £17.50 and £20 – all of which still represent fantastic value for money. The ethos of the promotion however, has stayed the same, a celebration of great value food starting at just £10, which encourages all participating restaurants – including three Michelin starred restaurants – to offer more to their diners during the promotion.

## RUNNYMEDE COURT

★★ St Helier

The Runnymede Court offers excellent value, with a relaxed atmosphere in comfortable surroundings it is an ideal base from which to explore the rest of the Island. Centrally situated close to the shops and near Howard Davis Park, yet only 100 metres or so from the beach at Havre des Pas. The hotel has a spacious lounge and bar and lovely gardens.

- All bedrooms have either private bath or shower & toilet, tea making facilities, radio, telephone, television
- Lift
- 57 bedrooms

**Customer Review:** For a budget holiday, it's important to find a hotel that is great value, without compromising on quality. In staying here I think, I found a real gem. Relatively central in St Helier a short walk to Liberation Sq (10 mins) and an even shorter walk to the beach the location was great. I had booked a hire car for the duration of my stay and I was worried about parking as the hotel does not have its own car park. I needn't have been, Green St car park was just a minute walk and free to park overnight. My room was clean and tidy, the bed was nice and comfortable. And the room was spacious enough for my needs. The food was very good, the breakfast plentiful and the evening meals were fantastic and excellent value for money. Staff were brilliant, nothing was too much trouble and they made my stay most enjoyable, I will definitely be back!!! *Chris Chapple, Travelsmith*

**Customer Review:** What an amazing experience we had on our first ever holiday with Travelsmith to Jersey. The hotel was an excellent standard and well above the star rating it has been awarded, with excellent facilities. A brilliant location close to the beach. The staff were so welcoming and helpful. We stayed on a b+b basis and the breakfast was excellent, lots of choice as was a meal we had one evening, we were really impressed. We would definitely recommend. A couple sitting next to us at breakfast said they had returned again and again and I can see why. Many thanks for a holiday to remember. *Ann Kournif and Teresa O'Loughlin, Ilford, Essex*

The hotel looked out onto St Clements beach as we got to see first hand from the beautiful view we had from our room that overlooked the beach, we had tea and coffee facilities available when ever needed. Would highly recommend this hotel to stay at with easy access around the island. The bus stop which was just outside the hotel had frequent buses available and was very easy to get to grips with. The British Isles most Southerly hotel, only two miles from St. Helier, faces the sea with views across to France.

**Customer Review:** We found this wonderful hotel, it has become our home-from-home. The owners and staff are extremely friendly and helpful. My mother is not as ambulant as she once was and walks with a stick whilst in the hotel. The hotel facilities are easy for her to reach. The single room she uses is a really good size. On our first stay, we booked bed and breakfast intending to sample some of Jersey's first class restaurants. We arrived in the evening and decided to eat in the hotel that first night. The food was so good we ate there for the rest of the holiday! We would recommend it to anyone who wants a quiet, well run hotel, with excellent cuisine, helpful and friendly staff.

**Customer Review:** Stayed here with my 12yr old son in August and had a wonderful time. The hotel is 'child friendly' with plenty of activities including the Flowrider Surf Wave which my son particularly enjoyed. The hotel was clean, the staff are friendly and they offer an excellent selection of food. The Merton really offers something for everyone and is a favourite of our customers.

The couple of night's stay we had at this hotel were great. Our room was wonderful and opened up onto the pool side. It was lovely to sit outside relaxing. The food in the restaurant is excellent. - Free WiFi throughout the hotel
- Lift
- Car park
- All bedrooms are en-suite with plasma satellite tv, direct dial telephone, tea making facilities, trouser press and laptop safe
- 56 bedrooms

**Customer Review:** I would recommend The Savoy Hotel as, in my experience, it is first class. The location is good, being a comfortable walk from the centre of St. Helier and for drivers of vehicles there is a large car park at the front of the hotel. The rooms are nicely appointed with all that a guest requires. The staff are particularly helpful and obliging and perhaps the most impressive thing is the food. There are several choices, with the emphasis on quality. From my wife and our two friends 'Highly recommended'. *Peter Preston, West Byfleet, Surrey.*

**Customer Review:** We have just spent a week in one of the apartments overlooking the gardens. The apartment was very comfortable and mainly well equipped; the kitchen, however, was a little under-equipped if you wanted to do any serious cooking. The standard of cleaning was excellent and the staff seemed very efficient. We would consider staying again. *David Brooks, Thornham, Norfolk*

### ABBEY COURT ★★ St Peter Port

FREE  
WiFi

This top-value hotel, in a quieter area on the outskirts of town, is only 15 minutes walk down to the shopping centre. A former Regency period residence, adapted sympathetically, the Abbey Court provides a relaxed, friendly and informal base, ideally placed for St Peter Port.

- Comfortable lounge areas and a small library • Bar
- Sheltered garden with patio
- All bedrooms have private facilities, tv, telephone and tea maker
- No single room supplement • Car park

**Customer Review:** The Hotel I stayed at was called The Abbey Court Hotel in St Peter Port which was a 2 Star Hotel. The first impression was the hotel was nice a clean and the staff were helpful at reception. The room was a double en-suite and there was plenty of space. There was also a good bathroom with a good shower and the bed was clean and comfortable. The location of the hotel was fairly near a busy road but you didn't get disturbed too much at night by the traffic noise. The lounge and bar were in a spacious room with plenty of light to read or watch the television, breakfast room was clean and there was a good choice of cereals and drinks on offer and the menu had a fairly good choice. The hotel is also on a main bus route so it is good location to explore the island and it is not too far to walk into the town centre. So if you want a good basic hotel this would be a good choice. *Michael Lee, Christchurch, Dorset*

Cobo Bay Hotel is one of the highest-rated 3-star hotels in Britain, overlooking one of Guernsey's most beautiful beaches just 3 miles from the island's capital. Their en-suite bedrooms have been fitted to an exceptional standard, whilst the stylish restaurant and al fresco Beach Terrace combine warm hospitality with award-winning cuisine, as reflected by their 2 AA Rosettes. A complimentary health suite is available, as well as free WiFi, parking and a lift to all floors.

- Guests may also use the heated outdoor pool at The Farmhouse
- Family and interconnecting rooms available
- Wheelchair-accessible
- 34 Bedrooms

**Customer Review:** Our stay at the Cobo Bay was absolutely wonderful. Having booked an early crossing and taking my own car, it was a nice surprise to have the room ready upon arrival. I had booked a side view room but it still provided a partial sea view and the wonderful sun set each evening from its bay window. The room was very well equipped, a huge bed, fluffy gown, slippers, safe(free)tea, coffee, water and fruit. The decorations of the room and the hotel were very fresh and clean. The food was very plentiful and tasty. The staff were very friendly and nothing was too much trouble for them. No complaints at all, this is the No1 place to stay in Guernsey. *Nigel Padman, Talybont-on-Usk, Powys*

Condor Ferries offer a great choice of sailings from Poole and Portsmouth

## EXCITING NEWS FOR 2015

Condor Ferries is due to take delivery of their new state of the art high speed ferry, the Condor 102, to operate between Poole and the Channel Islands from Spring of next year. This £50m investment will increase capacity, and give customers a much greater level of comfort. The Condor 102 is a stabilised monohull and has the ability to cope with much higher waves than the existing catamarans, giving greater comfort and reliability. The combinations of the two outer "hulls" with the main hull where the engines are located are what makes the ship so stable and gives a much more comfortable journey.

## HOW MANY PASSENGERS WILL THE SHIP TAKE AND HOW MANY VEHICLES?

It will accommodate up to 880 passengers in three seat classes, all on one deck, during the summer season, with a capacity of up to 235 vehicles.

Courtesy of Austal

## FROM POOLE - CONDOR 102

Passengers will notice the advantages of the Condor 102 immediately, as driving on to the ferry and parking on the car deck will be easier than before.

There will be a choice of three seat classes:

- Ocean Traveller which offers assigned airline-style seats in an open lounge with full access to the on board dining and shopping – free of charge
- Ocean Traveller Plus lounge with its private bar and seating which is either airline-style reclining or arranged around a table – free of charge on sailings before 0600, otherwise £7.95
- Ocean Club private lounge with at-seat service and leather reclining seats with tables – £16.95 on sailings before 0600, otherwise £29.95

Please find detailed below general information which we trust will answer any queries, together with our booking conditions which should be carefully noted. If you require further information, please ask.

## Condorbreaks is a trading division of Travelsmith Limited

Your contract is with Travelsmith Ltd, a member of ABTA. When you make a booking you guarantee that you are authorised to accept the booking conditions on behalf of your party. A contract will exist as soon as payment is received by us or where we are in receipt of a signed booking form.

**HOLIDAY COSTS** Please see page 2 and individual holiday pages for full details of what your holiday costs include. All prices and supplements are per person and are based on holiday commencement date.

**TRAVEL** Holidays are based on Condor Ferries using a catamaran or ship. In respect of the latter cabins and reclining/club class seats are only available at a supplement. All sea travel is subject to the operating schedules of Condor Ferries (not always daily) and their conditions of carriage. Wherever possible we will try to meet your specific requirements in respect of schedules. If it is not possible (as for obvious reasons we cannot always comply) no refund of any monies paid will be made and you will not have the right to cancel your booking except in accordance with our normal cancellation terms. With particular regard to bookings made online please note that it is the client's responsibility to detail the correct length and height for the vehicle specified upon booking. All vehicles and trailers greater than their declared length, height or weight will be liable to an excess charge at the port(s) of departure and may be subject to space being available, therefore carriage cannot be guaranteed under such circumstances. This brochure is issued on the sole responsibility of the tour operator and does not commit any carrier whose services are used.

**CHECK IN / OUT** Normally your accommodation will be ready for you from noon on your arrival date (tents 1pm) and you are asked to vacate your accommodation by 10am (tents 9.30am). Occasionally you may be able to vacate later, but please check with your holiday accommodation management.

**DURATION** The arrival day at your resort counts as the first day and the departure day from your resort counts as the last day, regardless of timings.

**SPECIAL INFORMATION** Although no guarantee can be given we will be pleased to assist wherever possible. In the case of disabled clients or where for medical reasons special services are required (eg special diets, etc) it is necessary that full details are given at the time of booking in order that we can render as much assistance as possible. We cannot be held responsible for problems encountered where full written details have not been supplied to us and subsequently confirmed in writing by us. Full information must be given on the booking form or, if necessary, reconfirmed separately in writing giving details of any disability and assistance required.

**TELEPHONE QUOTES** are all provided subject to written confirmation (including any holidays not featured in our brochure, where tailor-made arrangements apply).

**DANGEROUS GOODS** Condor Ferries have a list of prohibited articles that are regarded as endangering the safety and security of passengers. If you are unsure of any particular item that you may wish to take, please ask.

**MONEY MATTERS** Bookings are made by the completion of our booking form and its delivery to us at the address shown together with the appropriate payment. Balances are due 8 weeks prior to departure date. If balance payment is not received by the due date Travelsmith reserve the right to cancel all arrangements and impose cancellation fees in accordance with the schedule below. Where balance or total payment is made by credit card a 2% charge will apply to offset some of the charges imposed by the banks. However, no charge is payable where debit cards are used. Should you have to cancel your holiday the following scale of charges will apply: 42 days or more deposit is forfeit, 41-29 days @ 70%, 28-15 days @ 80%, 14-8 days @ 90% within 7 days @ 100%.

**NB:** Where cancellation occurs within 42 days of travel and the % charge equates to less than the minimum charge (ie loss of deposit) then the higher charge will apply. Should you wish to alter your arrangements, and assuming such alterations are possible, a £20 per person fee will be charged.

Alterations made within 6 weeks of departure may be subject to higher charges in line with our cancellation fees. Any alteration or cancellation must be notified in writing and, in respect of the latter, the level of charges will be based on the date written instructions are received by Travelsmith. It is essential that all clients take holiday insurance cover (please see this page). If the reason for your cancellation is covered by your insurance policy, you may be able to reclaim these charges.

**OUR POLICY ON PRICE INCREASES** Once full payment has been made there will be no price increase for any reason. In addition, Travelsmith will not increase the price confirmed for any bookings made before 31 December 2014, unless higher taxes imposed by the UK Government or Channel Island Authorities or UK/CI port authorities (eg VAT or port charges). If you have not booked in accordance with our price guarantee as detailed above, the price of your holiday is subject to possible surcharge on the following terms:

(i) Government action and/or port authorities action: defined as the imposition of and/or variation to taxes (eg VAT) or port departure/arrival taxes (including passenger service charges) and other charges as a result of direct action by UK and/or foreign governments.

(ii) Increase in transportation costs such as fuel, scheduled ferry fares, increased port charges and any other surcharges which are part of the contract between Condor Ferries and Travelsmith. Fuel is purchased on the value of the dollar. The brochure costed as at 28 October 2014 (based on £1 = \$1.6179 – source Financial Times). In such an event that increases are incurred, Travelsmith will absorb an amount equivalent to 2% of the

holiday price which excludes insurance premiums and any amendment charges. Only amounts in excess of this 2% will be surcharged. In the most unlikely event that the surcharge is higher than 10% of the holiday price, you will be entitled to cancel your holiday with a full refund of all money paid except for any premium paid to us for holiday insurance and amendment charges. Should you decide to cancel because of this, you must do so within 14 days from the issue date printed on our supplementary invoice. Conversely it should also be noted that if costs decrease more than 2% any such amount in excess of 2% will automatically be deducted from your account. Any variations to brochure prices (lower or higher) made prior to your booking with us will be notified at the time of booking.

**CHILDREN AND INFANTS** Any child reductions for accommodation are based on children/infants sharing with 2 adults in a room with extra child bed(s) or cot(s). In certain instances some hotels may make a small charge for food consumed, where Travelsmith have made no charge for the holiday. Such payments should be made direct to the hotel. Where children's offers are shown at selected hotels please note the advice given as to whether meals are included or all meals are payable direct at hotel.

**ACCOMMODATION** in hotels and guesthouses comprises B&B (bed & English breakfast daily), B&CB (bed & continental breakfast daily) or Half Board (including dinner daily) commencing with dinner on the first day, terminating with breakfast on the last day. No allowance can be given for unused accommodation or meals not taken due to temporary absence, including late arrival on the first day or early departure on the last day. Where optional supplements for half board are shown, these prices are only valid if booked in advance. All holiday establishments used throughout this brochure are registered and graded by the Tourism Authorities of the appropriate resorts and are correct at time of going to press.

**SPECIAL DIETS** Higher grade hotels usually offer a sufficient choice of menu to provide for all tastes. However please note that in guesthouses and in most middle range hotels where special diets such as vegetarian meals are requested, the menu will be very limited. If you are unsure, please ask when booking.

**LIABILITY** We accept full responsibility for ensuring that the arrangements which we have agreed to provide are in accordance with the description in the brochure and are of a reasonable standard. In this respect, we are pleased to make it clear that we accept responsibility for the negligent acts or omissions of our employees and agents and of our subcontractors and suppliers. We will pay damages calculated in accordance with English legal principles in respect of the death, bodily injury or illness suffered by any member of the party during the holiday and caused by the negligent act or omission of our employees or agents or by one of our suppliers or subcontractors or by their servants or agents provided that they were acting within the scope of or in the course of their employment and on our business. Please note that there are important conditions attached to this commitment, as follows:

(i) Claims must be notified to us in writing within 28 days of the date of the scheduled completion of the holiday.

(ii) The claimant agrees to assign to us their rights against a supplier or any other person relating to the claim.

(iii) The claimant agrees to give his or her full co-operation in the event that we or our insurers wish to enforce the rights assigned to us or to which we are subrogated.

(iv) In the event that a member of the party should suffer illness, personal injury or death during the holiday through a cause unconnected with any negligent act or omission of our employees, agents, sub-contractors or suppliers, we will offer assistance including advice and guidance and, if we in our absolute discretion consider it appropriate, financial assistance up to a limit of £5000 per booking form.

(v) In respect of carriage by sea and rail our liability in all cases will be limited in the manner provided by the relevant international convention. A copy of the applicable conditions will be supplied on request.

**CHANGES TO YOUR HOLIDAY** In the rare event we make a major alteration to your holiday arrangements, we will inform you as soon as possible and offer the best available alternative or issue a prompt and full refund of all monies received by us from each person in your party. Any alternative accommodation offered, subject to availability, would be of comparable or higher standard. When a major change is notified, you will (provided you have paid the final balance) be entitled to compensation with a rising scale of payment geared to the length of time prior to departure at which advice has been given. We shall not cancel your holiday after the date when payment of the balance price has become due unless for reasons beyond our control or the client's non-payment of the balance. Important notes: (a) Most changes are minor and do not give any entitlement to compensation or cancellation. A major change can be defined as a change in UK port or resort area or the time of departure or return by more than twelve hours or to accommodation of materially lower standard than that booked. (b) There is no entitlement to compensation in respect of changes or cancellations amounting to force majeure, eg war, threat of war, riot, civil strife, industrial disputes, terrorism, natural or nuclear disasters, fire or adverse weather conditions. If we cancel your holiday in such an event, we will offer you a refund of all monies paid (less any non-recoverable costs) or, if we are able to, a comparable alternative holiday but shall be under no further liability. NB: Where holiday arrangements are disrupted as a result of force majeure including industrial action (by those not employed by Travelsmith Ltd and any of their subsidiaries) or adverse weather conditions we will assist wherever possible but cannot accept any liability. In certain circumstances any extra costs may be covered by insurance, which is considered essential (see this page).

**DELAYS** To cater for such circumstances including adverse weather conditions please ensure you have sufficient funds to pay for any additional expenses as these are the client's responsibility. Furthermore, it

should be noted that if there is any loss of holiday time there cannot, under normal circumstances, be any refund from us. In certain circumstances these costs may be covered by insurance, which is considered essential (see this page and the booking form).

**CONDUCT** We should point out that with the support of ABTA (the Association of British Travel Agents) all hotels, campsites, shipping lines, etc, have the right to refuse admission/transportation to any persons behaving in a disorderly manner to the discomfort of fellow holidaymakers. Moreover any such persons will have no redress regarding refunds on tickets, etc. Furthermore, the majority of hotels refuse to accept all-male groups. In any event more detailed information may be required prior to the acceptance of such bookings. We are sure that this ruling can only improve matters for the vast majority of clients.

**ASSISTANCE, PROBLEMS, COMPLAINTS** If you have a problem during your holiday, please inform the relevant supplier (eg hotel manager) and (where applicable) resort representative at once so that every opportunity is given to restore holiday satisfaction. If this is not possible and your holiday enjoyment is affected you should contact Travelsmith without further delay - full details of our contact service are supplied with your travel documents. We will do our utmost to resolve the problem while you are on holiday. If you remain dissatisfied please ensure that you follow the matter up within 28 days of your return home by writing to our Customer Services Department at the Travelsmith office giving your original booking reference number and other relevant information. It is therefore a condition of this contract that you communicate any problem to the supplier of the services in question AND, where applicable, to our representative whilst in resort and obtain a written report form. If you fail to follow this simple procedure we cannot accept responsibility as we have been deprived of the opportunity to investigate and rectify the problem. It is our policy to always assist wherever possible to resolve any problem quickly, fairly and amicably but, disputes arising out of, or in connection with this contract, which cannot be amicably settled, may (if the customer wishes) be referred to arbitration under a special scheme which, though devised by arrangement with ABTA, is administered quite independently by the Chartered Institute of Arbitrators. The Scheme (details on request) provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on the customer in respect of costs. The scheme does not apply to claims for an amount greater than £5,000 per person or £25,000 per booking form or to claims which are solely or mainly in respect of physical injury or illness or the consequences of such injury or illness. If you elect to use this scheme, written notice requesting arbitration under the scheme must be made within 9 months after the scheduled date of return from the holiday.

**SWIMMING POOLS** Where we show accommodation with an outdoor pool, it may not always be in use during early and late seasons and may not always be heated. Furthermore, pools (indoor or outdoor) may be subject to closure or restricted use in line with regulations that may be imposed by local authorities at any time.

**HOLIDAY INSURANCE** is essential and a condition of booking that all clients are adequately insured. Please see section on this page for details of our policy. Should you wish to purchase an alternative policy from any other reliable source it is essential to obtain commensurate or superior cover.

**PASSPORTS** Whilst passports are not required (unless taking a day trip to France) most carriers require photographic identification in order for you to board and also for security purposes (eg, Passport, full new style driver's licence, bus pass or a Citizen Card - application available from your post office or at <http://www.citizencard.net>) NB: holders of non-British passports and/or British passports issued overseas should check with the relevant consulate in case visa/special permits are required.

**HEALTH** The UK NHS does not apply in Guernsey and you would have to pay for medical treatment. Jersey has a reciprocal agreement with the NHS for emergency treatment only. We consider that adequate travel insurance is essential, see this page.

**BROCHURE INFORMATION** All contents have been compiled and checked as carefully as possible to ensure accuracy at the time of publication. Prices are based on known hotel rates and transport costs as at 28 October 2014 (based on £1 = \$1.6179 – source Financial Times). Please refer to the section on money matters for further information.

**DATA PROTECTION STATEMENT:** Please be assured that we have measures in place to protect the personal booking information held by us. This information will be passed on to the principal and to the relevant suppliers of your travel arrangements. The information may also be provided to public authorities such as customs and immigration if required by them, or as required by law. Certain information may also be passed on to security or credit checking companies.

If you travel outside European Economic Area, controls on data protection may not be as strong as the legal requirement in this country. We will not pass on any information you supply to any third party in the EU not connected with your travel arrangements (as explained above) without your prior permission. This applies to any sensitive information that you give us such as details of disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we will be unable to provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.) Full details of our data protection policy are available on request.

**YOURS FAITHFULLY** Travelsmith Ltd is a privately owned company with directors resident in Essex. Responsibility for arranging your holiday is taken most seriously. Travelsmith Ltd is a subsidiary of Travelsmith Investments Ltd. Registered office: Travelsmith House, Burnham On Crouch, Essex CM0 8AA. Reg no 1722666. We will always be pleased to answer any queries you may have.

**CONSUMER PROTECTION** Sea holidays to the Channel Islands arranged by us are covered by an ABTA Tour Operator Bond. Travelsmith Ltd. ABTA VT290 (Head Office), members of CITOG.

## IMPORTANT INFORMATION REGARDING HEALTH COSTS IN THE CHANNEL ISLANDS.

Guernsey does not have a reciprocal agreement with the UK, meaning that visitors from the UK will have to pay for medical treatment if taken ill during their stay. Whilst emergency treatment will be provided in the A&E departments it is strongly recommended that all visitors to the Channel Islands be in possession of appropriate

travel insurance which includes cover for all other medical expenses incurred during their stay, and possible repatriation. Please carefully check your current travel insurance because most policies do NOT cover medical expenses incurred in the Channel Islands. Jersey have recently reinstated the reciprocal agreement

with the NHS. Please check your holiday insurance policy – if you require insurance please refer to our websites for the link. Condorbreaks is an introducer appointed representative of Ancile Insurance Group Limited tel: 0844 334 0155 quoting Condorbreaks when calling for a quotation, or to book insurance. The EHIC card is NOT valid in the Channel Islands.

### NOTES ON HOTEL GRADINGS

Holidaymakers should bear in mind that not all hotels in the Channel Islands are purpose built but are often skilful adaptations of large houses. Therefore it should also be noted that hotel amenities cannot necessarily be compared with those in the UK or in other countries.

We have tried to be as accurate as possible with our hotel information and have avoided descriptive wording which may be interpreted wrongly. All accommodation featured in our brochure has been carefully chosen to meet standards required, although obviously the quality of the establishment is open to personal interpretation! For your guidance accommodation rises in grade as follows:

Guernsey: Hotels 1 - 5 Stars

Jersey: Hotels 1 - 5 Star.

In addition, registered hotels that are approved and classified as hotels but which do not achieve the 1 Star standard. Note: Some hotels have chosen to be ungraded others are awaiting grading at the time of publication. The various grades awarded to hotels and guesthouses as shown in this brochure are strictly in accordance with those confirmed by the Jersey and Guernsey Tourism Authorities. It is therefore not possible to directly compare these grades with those in the UK or any other country. If you need any advice on the Jersey and Guernsey grading system to ensure that you choose your accommodation in line with your requirements, please do not hesitate to ask. These grades are correct at the time of publication. Should changes subsequently occur we will notify you when we are officially advised.

### IMPORTANT NOTE FOR ALL MOTORISTS HIRING OR TAKING THEIR CAR TO JERSEY OR GUERNSEY.

Where parking at your holiday accommodation is available, advice is shown in the individual description. For obvious reasons town centre hotels are less likely to have parking facilities. In any event it may not be possible to obtain public parking adjacent (or very close) to your hotel, etc. Please ask if you require detailed advice.
