

Dear Parent/Carer,

The *Kash 4 Kenya & South Africa Team (K4K&SA)*, along with Brockington College, would like to invite you to a fun filled night of family entertainment with our very own **'Pizzas and Ponies'** event on Friday 2nd October.

The evening will begin at 7:00pm kicking off with the first of 8 races. Before each race you will be able to place one or more tokens on any one of the 8 horses before cheering him or her on to victory. Winners will then be able to collect their share of the winnings!

The racing action will be accompanied by a wide selection of food and drink on the evening. This includes a variety of fresh pizzas, home-made samosas, delicious cakes and much more! A selection of alcoholic and soft drinks will also be available on the evening from our licenced bar.

The evening is being run in memory of a long-serving governor at the college and huge supporter of the Kash 4 Kenya & South Africa initiative, Peter Winkless. More information about Peter's contribution to the school can be found below

The evening is suitable for everyone from the very young to the, shall we say, not-so-young so please bring along family and friends alike. Entry costs £3 per person, or £10 for a family ticket (2 adults and up to 3 children). Tickets are limited and will be supplied on a first come, first served basis.

All of the funds raised will be going to support the wonderful cause of helping to send 29 students to help out in schools in Johannesburg, South Africa. To find out more please check out our K4K&SA website here:

<http://www.brockington.leics.sch.uk/africa>.

We look forward to seeing you on the night,

Peter Winkless was initially the Local Authority representative on the governing body in the days when the LA supplied governors to all secondary schools within Leicestershire. During his time serving Leicestershire, he was Chairman of the County Council for a year and he also served as Chair of Governors at Danemill for a number of years.

Peter's affinity to Brockington College grew over the years that he served and when we became an academy in 2012, without the need for a LA representative, Peter was very keen to remain as a serving governor. Peter was a very strong advocate for the college in the local community and for progression within Brockington College. He pushed for us to move to an 11-16 school several years before this was achieved and his last words within a governing body meeting were, "Now we have achieved 11-16 status, I hope that we will shortly become an 11-18 school."

As an ex-military man who served in the Second World War, Peter was very particular about his appearance, punctuality and supporting his colleagues. He never missed meetings or the opportunity to support the college through being a very active member of the governing body and our responsible officer (finance checks), as well as his under the radar personal donations to the Kash 4 Kenya fund. We will miss him greatly, but fondly remember his passion and morals that have taken Brockington College forwards.

---

To guarantee your seats and make sure you don't miss out on this fantastic evening please return this form to the main office, along with payment, as soon as possible!
