More Medical Equipment for the Yorkshire Heart Centre

We were delighted to supply another couple of portable machines for use in the Yorkshire Heart Centre.

Some trustees and volunteers met in the Take Heart Seminar Room to hand over an Ultrasonic Bladder Scanner together with an electrocardiograph machine to consultant, Dr Wazir Baig.

Accepting the machines, Dr Baig said "We are very grateful and we can always rely on Take Heart to make a difference for our patients. Very many thanks to all who made this possible."

chairman's comments

As I write this, it is a glorious autumn day which is a nice bonus. Hopefully we will have some more through the next month or so. I am sure many of you will have enjoyed the lovely summer we have had.

Our sponsored walk which features inside, was a perfect day for the walkers. Sadly we were down in numbers again but I am sure that it will still have returned some good donations. I would like to thank City Press and DC Plumbing for supporting our walk. City Press for supplying the sponsor forms free of charge and DC Plumbing for supplying drinks for the walkers and sweets for the children.

With this newsletter you will receive Christmas Draw tickets. This is a really good fund raiser for your charity and I do hope you will be able to support it. I know that many buy some of the tickets themselves and others buy the lot as their contribution to the charity's work. If you are in a workplace and have colleagues, you might ask them to support us. Full details of the draw are enclosed with this newsletter. There are lots of nice prizes.

Now some breaking news. The Trust is reorganising their properties and we are to move our relatives rooms which have accommodated thousands over the years. These rooms have been a godsend to so many and we have been able to provide

them completely free of charge because of the generous donations made by our membership.

The new rooms will be in the Brotherton Wing of LGI and have a great advantage over our present rooms which only have very limited bathroom facilities. Our new rooms are all en-suite and have lovely views over Millennium Square. They also have a shared kitchen and a nice conservatory and outside balcony.

The rooms will be a little further to walk, but all inside - not like the present rooms where relatives have to go outside to access the accommodation. We will be furnishing and decorating these rooms to a very high standard and every room will have an internal telephone, television and tea making facilities.

We know that our relatives rooms make such a difference to those who perhaps live some distance away and provide a local oasis at what is an anxious time. If you would like to make a donation to the scheme it would be greatly appreciated.

treasurer's trove

You hear and read a lot of bad reports or complaints about the NHS, but aren't we lucky here in Leeds? Most of us never seem to be amazed at the life saving treatment and the nursing care we have received. This is shown in the donations and the letters we receive from very grateful patients.

The bad reports we read are very much in the minority, yet they always manage to taint the NHS. Everyone is painted with the same brush. It's a bit like youngsters - one bad apple and they are all villains and all the good deeds done by them are conveniently forgotten.

I have recently been visiting different departments of our hospitals and receiving various forms of treatment and I couldn't have been treated better, as have many Take Heart members, which I am sure is part of our success and the fact that we have been going for so long.

The other part of our success is the generosity of our members without whose donations we wouldn't have been able to continue with our work. We receive donations in many forms as you will appreciate and we try to acknowledge these donations as soon as we can. At the moment it is a busy

time with sponsored walk donations coming in as well so please bear with us. I would like to take this opportunity to thank all of you who have donated to Take Heart over the past years.

You can be assured that the money we receive is spent wisely as most of our Trustees have benefitted from treatment for heart disease in one form or another so they are very much aware of the needs of patients and relatives.

Just one more thing before I close. I think it is worth reminding members about Gift Aid. It's something that's not to be sneezed at especially when we are getting money back from the Inland Revenue. They have made it a little easier to collect in as much as all they need now is the Name, House number and full post code. The donor also needs to affirm that they pay sufficient tax in a tax year to cover any gift aid donation.

Thank you.

A lady inserted an ad in the classifieds: "Husband Wanted".

Next day she received a hundred letters.

They all said the same thing: "You can have mine."

As you all know we still require and collect
books which are sold to provide funds for
Take Heart.

We have collected books over the years
and we have to thank all those who have
donated them. We have some regular
contributors - some of these are ladies at
Burley and others who decide to clear out
their bookshelves all are gratefully received.

On behalf of the Trustees I would like to
thank all of you who have donated books
over the years. Please continue to do so.

Books can be collected - please ring me on

crafty ladies at Northowram Library

Crafty Ladies held a open day at Northowram Library selling handmade crafts, along with cakes, home-made soup and various refreshments. The weather was kind and a great number of local people came along and supported the event.

A total of £720.00 was raised and shared with Calderdale Lady Mayoress charities which support Calder Valley Search and Rescue and the Halifax Stroke Club, meaning that The Take Heart Charity received the lovely sum of **£360.00**. In addition, a lovely porcelain 'Tom Sawyer' doll made by Joyce Sutcliffe was donated to Take Heart for our Christmas raffle.

My thanks to all The Crafty Ladies and Joyce and also to our member Mrs Adele Illingworth, a marvellous supporter of our charity for nominating Take Heart which she always says is so very close to her and her family's heart.

Colin Pullan, MBE

Presentation Nicole Saville

I was very pleased to meet up with Nicole when she presented me with a cheque and cash to the value of **£505.00**.

This lovely donation was raised through Nicole organizing a Zumba Event and Raffle in appreciation of her wonderful care at the Yorkshire Heart Centre and our many facilities including her mum's stay in the Take Heart relatives rooms.

My thanks to Nicole and her Mum Sandra and all who helped in raising this super donation.

Cookridge Hall Evening Event

Saturday 19th October 2013

The Caiger family and friends are organising and hosting what has now become an annual event in our social calendar. This will be its third year and has successfully raised well over £3000 during the first two years.

They have arranged an evening out at Cookridge Hall Health and Fitness featuring a five piece band, Shades of Blue, for the music, a disco provided by Graham Dowling with a supper thrown in - all for the price of £10.00.

This, together with a grand raffle should provide a **"GRAND NIGHT OUT"** and all who attended last year were impressed with the array of raffle prizes on offer. Our grateful thanks go to all our regular sponsors who back this event by donating some great gifts.

Tickets are limited and are available by contacting me on 07917 323 650 or 0113 267 2857.

Jeremy Caiger, Take Heart Trustee

Golden Wedding Celebrations

Vivienne and Melvyn Mountain, who are both members of the Wharfedale General Hospital Cardiac Club, decided to make Take Heart the beneficiary of their Golden Wedding celebrations.

In honour of the event, they organised a special party at their home on July 13th and, rather than accepting presents from their friends and family, requested that any gift be made in support of Take Heart. The event was a tremendous success and raised a magnificent **£600.00** which is very much appreciated.

Many congratulations to you both on your 50 years together - you are obviously very popular people!

Jeremy Caiger, Take Heart Trustee

AFTERNOON tea

Our afternoon tea sessions have proved to be a big success, not only with our regular visitors, but visitors to the heart wards as well. These will now become a regular feature of the Take Heart life. Dates will appear in the newsletter and on the website at www.takeheart.net.

middleton Parochial Hall

Left to Right: Sandra Askin Florence Devine Frank Cowburn Teresa Cowburn and Linda Chambers.

In August, Frank and Teresa Cowburn along with friends, put on a social evening at the Middleton Parochial Hall with music, dancing, singing and fun night.

The event was organised in appreciation for the wonderful care and the marvellous facilities provided by Take Heart whilst Mrs Cowburn was a patient at the Yorkshire Heart Centre at Leeds General Infirmary.

The evening featured Irish band Milestones and everyone enjoyed the food and wonderful entertainment. The event was a complete sell out and the total raised by raffles and admission was the fantastic sum of **£1200.00**.

I was pleased to go along at a later date and receive the cheque and tell the many people who had supported the event a little about the work of Take Heart and also say a big thank you to Frank and Teresa and all the friends who helped to make the evening a outstanding success.

Dear Colin and the Take Heart Team

Thank you all very much for considering our application and providing us with the funds for the Surgical Loupes. We are able to see the surgical field more intensely than before with the help of the loupes.

Every time we wear the loupes, we will think of the Take Heart team proudly and your thoughtfulness.

Thanking you all again for making it happen. We greatly appreciate your generosity and to those contributors to the Take Heart fund.

Kind regards,

Reena, Nigel, Jamie and Ashley

Dear Colin,

On behalf of the Adult Congenital Heart Team, I would like to thank you and the Trustees for supporting our service, and printing the contact cards for the adult congenital patients. This enables them to contact the appropriate person when they are unwell or need further information about their condition.

Many thanks again for your support,

Regards,

Jo Quirk

what is **take heart?**

Take Heart is a charity set up 25 years ago by a small group who wished to give something back to the Yorkshire Heart Centre at Leeds General Infirmary after successful treatment. Since its inception, the charity has raised over three million pounds and has made an enormous difference for patients and staff alike. The charity is most unusual in that there are no salaries paid to any staff – all trustees give their time voluntarily and only a tiny percentage of donations is used for administration.

The differences made are immediately apparent when you enter the Heart Centre. New modern furniture, decor and fittings, modern equipment, bedside television, radio, internet and even all bedside landline telephone calls are provided free by Take Heart. Accommodation is provided in the hospital free of charge by Take Heart for patient's relatives who have distance to travel. Additional medical equipment is also provided to enhance the treatment of patients as is the provision of booklets

for patients explaining procedures practiced in the hospital. Staff areas including reception desks, staff rooms and cloakrooms have been refurbished. Take Heart also provide a roof garden adjacent to the heart wards to give patients, relatives and staff a breath of fresh air. All this and so much more is provided with the generous donations received. So much so that staff have been overheard referring to Take Heart as their own Father Christmas.

We never fail to be touched by the wonderful people who donate small and larger amounts. Thank you so much.
