* Food Bucks can be used at any of Food Services at Dalhousie University's retail locations on campus. Unused Food Bucks carry over from the Fall to Winter semester. At the end of the academic year, any unused Food Bucks are non-refundable.

† An "entry" into any of the four All-You-Care-to-Eat dining halls means you may eat as much or as little as you like while in the dining hall. For instance, if the student has a Freedom Plan, (s)he has unlimited entries into the dining hall every week to eat as a little as a coffee and/or a muffin, or a full meal with unlimited drinks. For highest convenience the Freedom Plan is recommended, as the student can enter/exit dining halls (during regular operating hours) without tracking the weekly entries remaining on their DalCard. Please note that Voluntary Meal Plans are available at a pro-rated cost as the semester progresses.

Note that there are 107 operating days in the Fall term, and 111 operating days in the Winter term.
