**Permission to Enroll High School Students**

Superior high school students may enroll in introductory courses with the permission of their principal or guidance counselor and University approval. This is to certify that this student has a superior academic record meriting consideration for enrollment in a University course for University Credit. The course may be taken in addition to the student's regular high school program. It will not interfere with the student's completion of the high school requirements or the necessary units for admission to the University.
