From the Directors' Chair

Since July was such a hot month, I really thought it might lighten up a little in August – but so far Mother Nature has proved me wrong. I am surely getting tired of these days with over 100 degree temperatures as it is affecting my desire to ride.

On July 7th, several Chapter O members met at the Cracker Barrel in Buda to have a good breakfast before heading to San Marcos to Dick's Classic Car Garage. Billy Laue, Steven Thomas, Richard Seay and Tom Andrews attended the grand opening event. Richard says there is also an antique car museum in Rosanky which would be a great ride for someone to lead. Remember, anyone can lead a ride.

On July 18th, Chapter O hosted a GWRRA Leadership Training Day in Pflugerville. Lynn and Mark Heene ran us through the Member Orientation Program. Even though most of us aren't really new members, it was very interesting. We learned about the History and Structure of GWRRA, Helpful Info for New Members, Member Benefits and Horizons Overviews, Training the Members, How to Participate and How to Have Fun at a Rally. We proved that we already knew how to have fun at the training day. The Heenes did a great job and we all learned something and had fun. We had approximately 14 members in attendance – the Leas, Poullards, Reeses, Osborns, Winfields, and Jennifer and Jerry Carr. Thanks to all who participated and thanks to the Heenes for putting it together.

On July 27th, the Reeses, the Poullards, and Billy Laue rode out to Cowboy Honda to meet with the general manager Hal Burke about their interest in becoming a

sponsor for Chapter O. They have a small classroom that we can have access to (it holds about 12-14 people). They have a very large parking lot in the back that we could use for parking lot practice. If we decide to start a ride from there, they would provide donuts and coffee for us and we are discussing some sort of discount for Chapter O members. They have a beautiful showroom, very friendly staff and they really want to be our Honda dealer and sponsor for our chapter.

On July 28th, Richard led an impromptu ride to pre-ride the route for the Burke Center for Youth Rally Event. Richard, Randy, Billy, Mark, and John C went on the ride. They headed to Round Mountain for breakfast but found out when they arrived that the restaurant didn't open until 11:00 so they headed on to Marble Falls to the famous Bluebonnet Café and that is always good.

Thanks to Linda Poullard who has agreed to coordinate our Christmas Party. She has a lot of good ideas and is starting to check out locations and will be updating us soon.

We have been looking for a new scrapbook coordinator to replace Joan Miller who stepped down due to other commitments. Well we have found a willing volunteer! Let's welcome Tami Uptain as our new scrapbook coordinator. Also, thanks to Joan for doing the task for several years. Please let Tami know if you have pictures or ideas as she picks up the reins. We often enter our scrapbook in the scrapbook competitions at various rallies so keep an eye out for Tami's work.

We are looking for someone to prepare a member spotlight for our next newsletter. If you are interested in preparing one for our next newsletter, just send the information to Mark Heene, our newsletter editor, at

newsletter@goldwingaustin.org. The article should help us get to know you better and can include information on how you became a rider, your hobbies, interests, family and work information, etc. To see samples of some done by other members, visit the website at: www.goldwingaustin.org.

We have several upcoming Chapter O events - so mark your calendars:

- Night at the Ballpark – Round Rock Express vs. the Memphis Redbirds
Monday, August 24th - Game Time is 7:05 p.m.
It is also \$1 hot dogs and \$1 sodas night at the Ballpark. Plan to join in on the “great American past-time”.
- August 29 - There is a CPR/First Aid Refresher Course at the home of John and Wanda Osborn. If you would like to participate in the course, get in touch with our District Trainer, Lynn Heene to see if there is still space available. Her number is 288-4152.
- Our Annual Campout is scheduled for October 22-24 at Koyote Ranch. Make your reservations soon to assure you have a spot. Go to www.koyoteranch.com for more information or Call Billy Laue our camping coordinator at 282-9742.

Lessons Learned: It's not if but when!

Always wear riding gear. By Bill Fischer

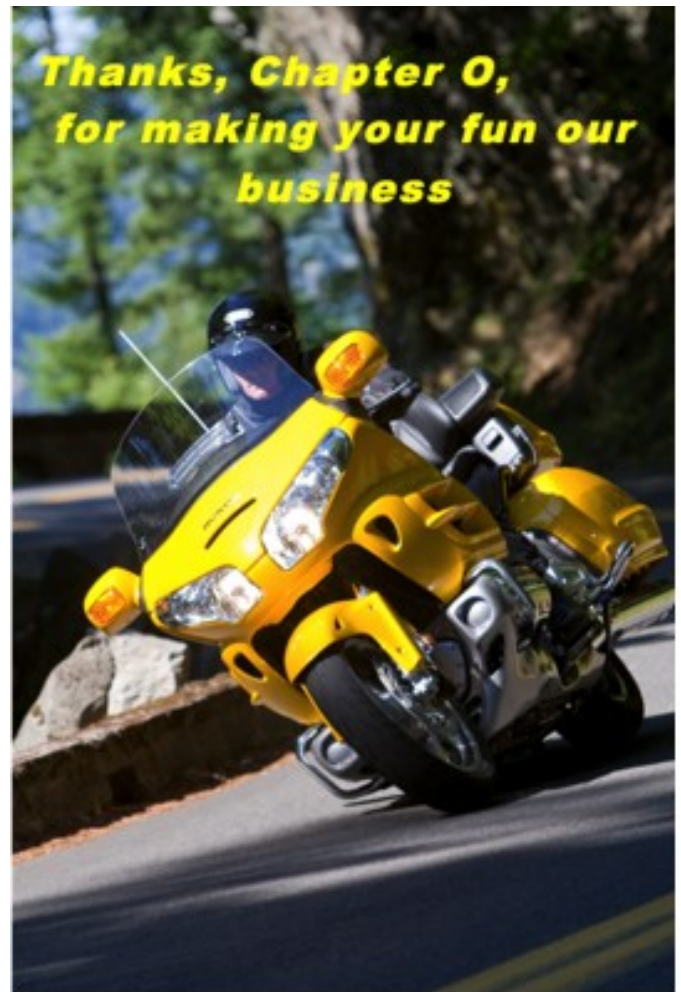

On July 21st, at 9:30am I left my home in Spicewood on the Goldwing to run some errands in Austin. I was on Hwy 71, a four lane highway, heading east bound running about 70 mph and had just moved into the left lane of traffic to pass some slower traffic in the right lane. I checked my mirror to see if I could move back to the right lane and as I looked up the truck in front of me abruptly swerved to the right lane. I then saw that a car had stopped to turn left into a neighborhood called Paleface Ranch. I could not move to the right lane due to traffic so I did an emergency stop. I had the brakes locked and when I could not stop in time to avoid the car I laid the motorcycle down on it's left side. I went down hard on my left hip, then I came off the bike and slid to the left rear of the car and came to a stop looking up at the gas tank. The bike hit the right rear of the car causing heavy damage to the front of the motorcycle. I was able to stand up and pick up my bike with the help of a man who stopped to help and we moved the bike to the shoulder of the highway and a short time later the ambulance arrived along with Travis County Sheriff's Deputy.

The EMT's looked me over and took my vitals and said I was OK and I declined to be transported to the emergency room. A wrecker showed up on the scene and loaded my motorcycle. I called Joanie and she came to the scene. Joanie and I unloaded our stuff off the bike before they took it away.

She then took me to Brackenridge Hospital and I walked into the ER and was immediately escorted to be examined. X-rays showed that I had no broken bones and no lacerations were found. I had on my full face helmet that protected my head and it only appeared to have received minor scuff marks on the left side from impact with the pavement. I wore a ballistic jacket and pants that protected me from receiving any "road rash" and just to think I was not going to bother wearing the riding pants this time.

The lessons I want to share with others is that you may not always see things in time to avoid them and if you go down on your motorcycle without the right gear on you may find yourself with lot more injuries than you would have had due to wearing the right gear. I know all of you have seen a time that someone in front of you saw something in the road such as a piece of furniture, an animal or other large debris and swerved to miss

Chapter Picnic

June 6, 2009

By Gail Carr

We came, we rode, we ate, we saw, we laughed a lot, we ate again, and we left.

It was a wonderful day in the neighborhood. 30+ Chapter O members gathered at the HEB on 183 for a round-about ride to San Gabriel Park in Georgetown for a Chapter picnic event.

The weather was outstanding. There was a pleasant breeze and an even more pleasant temperature of 83 degrees. Hopes were high that it would not get too warm.

The group was split in two for safety since there were so many bikes. Group one was led by Gail Carr, group two by Jerry Carr. It was a beautiful scenic ride through some rural areas of Travis and Williamson Counties. Even more wonderful ... when we arrived at the park there was shade for most of the bikes !!

The furry guy in the picture became VERY interested in us as we settled into the Pavilion. So much so he was willing to come close enough to accept a salty treat. He perched in a nearby tree where he could keep an eye on the goings-on and nibble on his new prize as we did what all good Goldwing riders do ... we ate.

Not to be outdone and allow our new friend "Rocky" to have a better day than us, we went to DQ on the way home for our own treat. When we arrived we thought our large group would surely send the DQ staff into utter chaos, but surprisingly enough they were pretty organized. There were a few hiccups, but all in all they did a great job for us. To top it off, Chapter O picked up the tab ... Thank you Randy.

As the group was preparing to call it a day, several folks suggested we have another picnic ride in the fall ... clearly a wonderful idea. After all, riding to eat is what we love to do, right? All it takes is for someone to establish the date with Randy and plot a route to a picnic destination.

By all accounts, a good time was had by all. Thank you to everyone who participated.

Burke Center for Youth - Motorcycle & Hot Rod Rally

There was a nice turn out for the 3rd annual Burke Center for Youth Motorcycle & Hot Rod Rally at Camp Ben McColloch Saturday 8/15/09. Richard Seay, Barbara Seay (daughter), Mark Heene, John & Cathy Conniff registered and left on the 128 mile Fun Run at 9:00am to try and beat the heat (we did not!). Also, GL1800 rider Ross Cochran from Leander rode with us and might become a future Chapter O member. We made check point stops at the Burke Center, Blanco, Hye, the Texaco at RR-12 & Hamilton Pool Rd. and finally at the Nutty Brown Cafe. We safely negotiated "Osborn Curve" on Hamilton Pool Rd at the Pedernales River crossing and put zero Goldwings upside down in the ditch (I'd say it was a successful ride!). Mark won \$50 as the poker hand grand prize winner and being the good guy he is, donated part of it back to the Burke Center 159797. We had excellent BBQ, checked out bikes and hot rods and listened to the line-up of bands at the pavilion and basically survived the heat under the huge shady oak trees at Camp Ben McColloch. It was a great day and I hope more will participate next year because it is for a good cause.

Dick's Classic Cars

A small chapter group road to Dick's Classic Garage in San Marcos to tour Dick Burdick's collection of classic's. He also has cars in Rosanky at a museum. They met at the Cracker Barrel in Buda for breakfast before the ride. Billy Laue, Steven Thomas, Tom Andrews and Richard Seay filled their bellies with good southern cooking and headed a few miles down the interstate to Dick's Classic Garage Museum grand opening. They spent about an hour drooling over the cool Dusenburgs, Cords, Tucker, Fords, Lincolns, Dodges, Desotos, Chevys, Olds, Buicks, Cadillacs Pontiacs, Studebakers, Hudsons & Marmons (see the photos). It was not too hot, but I'm sure it got hotter after we got home to our A/C. We need to do a similar ride to the museum in Rosanky ... soon.

Merle (Ditto) Sullivan 08-11-2009

Merle (Ditto) Sullivan passed away on Aug 5, 2009. A service was held at Ft. Sam Houston National Cemetery in San Antonio Aug 11. Ditto was born April 14, 1930. Ditto suffered from Polio when little. She was one of the lucky that recovered from Polio. Unfortunately later in life Post Polio Syndrome came back to cause her pain and suffering. Seven Chapter O members were able to make the funeral (John & Wanda Osborn, JC & Millie Fazzino, Tom & Dawn Sprague, and Yolanda Garcia). It was a simple grave side service with family and friends attending, in total about 35 people.

Ditto will be remembered as a caring person that never complained. The Sullivan's were with Chapter O from its very beginning. In 2007 they moved to Tulsa to be with family.
