NCAA Legislation

13.7.1 Number Permitted---A prospective student-athlete may visit a member institution's campus at his or her own expense an unlimited number of times. A prospective student-athlete may make unofficial visits before his or her senior year in high school.

13.7.1.1 Exception-Men's Basketball---In men's basketball, a prospective student-athlete may not make an unofficial visit during the month of July; however, a prospective student-athlete is permitted to make an unofficial visit during July beginning the calendar day after he has signed a National Letter of Intent or the institution's written offer of admission or financial aid, or the institution has received a financial deposit from the prospective student-athlete in response to an offer of admission.

13.7.1.2 Exception-Women's Basketball---In women's basketball, a prospective student-athlete may not make unofficial visits during the July evaluation periods (see Bylaw 13.1.5.4.2).

13.7.2.1 General Restrictions---During an unofficial visit, the institution may not pay any expenses or provide any entertainment except a maximum of three complimentary admissions (issued only through a pass list) to a home athletics event at any facility within a 30-mile radius of a member institution's main campus in which the institution's intercollegiate team practices or competes. Such complimentary admissions are for the exclusive use of the prospective student-athlete and those persons accompanying the prospective student-athlete on the visit and must be issued on an individual-game basis. Such admissions may provide seating only in the general seating area of the facility used for conducting the event. Providing seating during the conduct of the event (including intermission) for the prospective student-athlete or the prospective student-athlete's parents (or legal guardians) or spouse in the facility's press box, special seating box(es) or bench area is specifically prohibited.

13.7.2.1.2 Meals---A prospective student-athlete on an unofficial visit to an institution may pay the actual cost of meals (or the regular cost of training-table meals) and eat with other prospective student-athletes who are on their official visits or with enrolled student-athletes.

13.7.3 Activities During Unofficial Visit---An institution may not arrange miscellaneous, personalized recruiting aids (e.g., personalized jerseys, personalized audio/visual scoreboard presentations) and may not permit a prospective student-athlete to engage in any game-day simulations (e.g., running onto the field with the team during pregame introductions) during an unofficial visit. Personalized recruiting aids include any decorative items and special additions to any location the prospective student-athlete will visit (e.g., hotel room, locker room, coach's office, conference room, arena) regardless of whether the items include the prospective student-athlete's name or picture.
