Season Preview

The 2003 Gaels will have a new look this year under first-year head coach Vincent White. With an up-tempo spread offense and an attacking defense, Saint Mary's is sure to have fans on the edge of their seats for 60 minutes a game.

The Gaels return 44 letter winners and 14 starters from a year ago, led by I-AA All-American safety Weston Borba. Borba, who was also named the I-AA Independent Defensive Player of the Year, led the team with 115 total tackles, 85 solo stops, and four interceptions – including two that were returned for touchdowns. The offense will be anchored by eight returning starters, including returning linemen Chris Tillery, Nick Wisely, and Jacob Wolfe.

OL Chris Tillery

"We're extremely excited about the 2003 season and we're looking forward to installing our new offense and defense" said White. "The 2003 Gaels are going to play hard and fast from whistle to whistle for four quarters. Touting a great schedule this promises to be another exciting year for the Saint Mary's football program."

New Reserved Seating for 2003

Reserved seating is available this year in front of the press box, across the field from the new location of the Saint Mary's sideline (see Seating Diagram). Seating is subject to availability and will be assigned on a priority point system. *Note: Discounts for children, adults, and Junior/Silver Gaels are not available for reserved seating.*
