### DIRECTIONS FOR COMPLETING LADDER LINE-UP

Each Team shall consist of three (3) singles players and two (2) doubles teams. Players may only play one event (singles or doubles). **Each Team, listing players in descending order of ability, shall establish a ladder line-up from 1 to 10. The ladder submitted for the Team shall represent the strongest line-up for that Team. The first three (3) students shall play singles in the order that they are listed on the strength ladder line-up. Beginning with the fourth student listed on the strength ladder line-up, any four of the remaining seven students may comprise the doubles Teams. The doubles Team having the highest level of ability shall occupy the number 1 position and the doubles Team having the second highest level of ability shall occupy the number 2 position. No player shall be eligible for a doubles Team unless they are listed on the Team's strength ladder line-up. Teams shall submit their strength ladder line-ups, which shall specify singles player #1, singles player #2, singles player #3, doubles Team #1, and doubles Team #2, at the beginning of the District Team Tennis Tournament. With the exception of authorized substitutions for illness, injury, or other extenuating circumstances (as determined by the appropriate Tournament Director), a Team's strength ladder line-up may not be changed throughout the respective District and Inter-District Team Tennis Tournaments.**
