VI. MORE INFORMATION

- I have fluency in the Greek and English languages (both in oral and written word), as well as convenience in public affairs. My cooperation with the people I have associated was harmonic, including my colleagues and my university professors.
- I have experience in working for long terms under stressful conditions, since I had the obligation to perform simultaneously many activities for long (working deadlines, university projects etc.).
- Scholarship by the State Scholarships Foundation for my admission to the department of Marketing as 2nd of the year.
- I was a member of many Semi-Pro basketball teams until the age of 26. Also, I am a volunteer in a few non-profit organizations concerning animals rights. Other activities include free-diving, snowboard, watching movies and reading science-fiction books.
