Description of Proposed Improvement

Note: ***Please review your restrictions first*** and then describe the project in detail to include type, style, and color of materials and dimensions of the improvement, including roof pitch. A picture or brochure is helpful. Architectural drawings or plans are best. In addition, the Scott County Government requires a building permit for certain improvements to the property, such as a room addition. The Association requires a copy of the permit once approval is granted. Construction may proceed only after the Association receives a copy of the permit.
