**Times:** 8:00 a.m. – 4:30 p.m. – Check in at 7:30 a.m.  
**Where:** Renaissance Glendale Hotel & Spa, Glendale, AZ 85305

**PROGRAM DESCRIPTION**

**Front end planning** is critical to construction project success and efficient execution which leads directly to increased profitability. This two-day seminar, by leading experts, is a must for anyone responsible for the planning, design or execution of the built environment. **Learn** why an accurate and usable project plan must be undertaken before a project starts and why it's too late once in progress. **Gain the critical knowledge** to put to work for your organization the processes, tools, and techniques used to initiate, organize and complete essential early project planning for any type of project. The methods will be explained in detail and the presentation includes the critical topic of generating and managing the scope of work, indispensable to planning and execution of the work.

**Scheduling**, the next step in project planning will be covered in detail, **Learn** the critical skill of how to develop organize and manage an accurate and workable schedule that becomes a useful and workable tool for the execution, production and management of construction projects. Learn the latest techniques in producing an accurate schedule and updating it as work progresses, facilitating changes and producing an accurate record of construction progress. **The presentation includes the necessary skills to manage, control and record project quality.**

Accurate **budgeting and estimating** is critical to the timely launching of a project and client satisfaction. **Learn** the latest techniques and use of appropriate and available resources in producing pre-project, partial design and final design costing. **Various contracting options and methods will be covered including design/build.**

**This investment of two days will be returned numerous times over in enhanced productivity project harmony and client satisfaction**

**REGISTRATION FEE**

\$ 650 – ACE Member | \$ 715– Non-Member

*For more information on group discounts, please contact Jacki Houchens at 480-965-9359.*
