

Nomination Form Distinguished Alumnus Award

The Wyoming School Foundation is honored to recognize our alumni who have distinguished themselves in their lives and in their careers. The Distinguished Alumnus Award was established in 2002 and is bestowed on a Wyoming alumnus who has distinguished herself/himself in:

- **DISTINGUISHED CAREER AND LIFE EXPERIENCES**
- **HISTORY OF HELPING OTHERS**
- **HISTORY OF ADVANCING THE POTENTIAL OF OTHERS**

The recipient of this award will participate in the annual Foundation Day Celebration events that include: addressing the entire student body of the Wyoming High School; meeting students, teachers and administrators; and attending the Distinguished Alumnus Society Induction ceremony. The recipient will also be the guest of honor at a Reception.

Foundation Day is a unique program that sends an important message to students that the excellent education provided by Wyoming Schools will have a profound value in your life. Students may not realize or appreciate their Wyoming education until later in life, but we feel enabling them to see first-hand the successes and accomplishments of Alumni is a meaningful experience. Please help us continue this tradition by nominating a Wyoming graduate.

All submissions are retained for future consideration.
