WE'RE REACHING OUT!

INASMUCH DAY 2014 saw a team of nearly 300 volunteers gather early that morning for breakfast, then to pray, then to go into the community to serve. Truckloads of food were collected; cookies were delivered to firemen, sheriffs' deputies and nurses; widows were assisted with yard work and other chores; the list of projects was long but it was a Great Day of serving and reaching out in the Name of Jesus!

THIS YEAR'S INASMUCH TEAM has another Great Day planned and has put together a list of projects which will require nearly **400** volunteers. Projects range from assisting with breakfast for the other volunteers...to baking cookies...to painting and minor repairs...to praying for those out serving as well as those being served.

THE LIST OF PROJECTS, from which you may choose to serve, is printed inside and the "Volunteer Form" is on the back. Most projects require a limited number of workers so the Inasmuch Team would like to know your first, second, and third choice in case your first choice project is full. In that event, the team will assign you to your second or third choice.

JOINING US IN REACHING OUT this year is Grace AME Church. We welcome our brothers and sisters in Christ as they work with us on this project.

Questions? You may contact Lee Peak, the 2015 Inasmuch Team Leader, at 352.750.2768.
