Please book early as numbers are limited. The standard of Bridge is friendly Intermediate and no partner is needed.

The Hotel: The 4* Millstream Hotel lies in the heart of Old Bosham, an historic village on the shores of Chichester harbour. It combines the elegance of a small English country house with the character and charm of an eighteenth century malthouse cottage. The restaurant has been awarded two AA rosettes for their excellent cuisine. Their website www.millstream-hotel.co.uk

Facilities: The hotel has a relaxing bar with an open fire, leading on to the delightful gardens. The restaurant also overlooks the gardens, and offers a varied selection of English and Continental dishes, prepared with the best fresh produce, complimented by a list of fine wines from an established cellar. The sitting room is full of character and charm – a lovely room to relax in.

Each bedroom has been attractively styled to enhance its individual character and outlook. All have an en-suite bathroom, a colour television, radio-alarm clock, tea and coffee making facilities, telephone, safe, trouser press and hairdryer.

Local sights:

Bosham is a well-known sailing village today, but its history dates back to Roman times when it was a fishing port. It has a fine Saxon church, reputedly where King Canute attempted to turn back the tide, and it is featured in the Bayeux tapestry. Bosham is an ideal centre for discovering the wealth of history and natural beauty which abounds in the surrounding area. Chichester is known for its Cathedral, picturesque Cathedral close, shops, market cross and alleys worthy of exploration. Other places well worth a visit include Fishbourne Roman Palace, Denham Gardens, Arundel Castle and Goodwood.
