

# Parent Consent Form

## Student Use of Glogster

---

Similarly to other Districts and Independent Schools in British Columbia, Richmond Christian School is providing students in Grades 6 – 12 with a school managed Glogster account. Glogster is an online digital canvas environment that allows students to express ideas with ease by combining images, graphics, video and text.

These services are hosted by Glogster EDU, which similar to most Internet services, stores data on secured servers located outside of Canada. While stored outside the country, information in your child's Glogster account may be subject to the laws of foreign jurisdictions including, in the United States and the USA Patriot Act. British Columbia Privacy legislation requires that we inform you of this and obtain your consent to this arrangement.

### Consent from Parent or Guardian:

I understand that the information in my child's Glogster account may be stored outside of Canada. I hereby consent to my child using an RCS issued Glogster account on these terms.
