Join us and raise money for St Vincent's Hospice through sponsorship by taking part in our "Pawsitivity" Dog Walk along the beautiful lochside settings of Castle Semple.

Guinea Pig Rescue

Sokel Guinea Pig rescue is a small operation now with a base in Kilmacolm, and we're happy to help bring a perfect pair (or more!) to you, pending a home check of course. (We like to make sure they're going to the best home possible.)

Please don't buy from a pet shop, there are plenty of babies looking for new homes, as well as lots of older piggies who need just as much love as the babies.

'Trouble' (Right) and 'Tribble' (left) are 12 weeks old, boars, pure bred Perus and need to go to an experienced home, indoors. They're cheeky little chaps and are into everything! They will grow up long haired so will need grooming every day.

'Hamish' (Ginger) and 'Panda' are a bonded pair of adult boars, approximately a year old. Again, they will need to go to an experienced home due to hamish's long hair, and are a bit skittish, but with regular handling will make lovely pets. They will need to be housed indoors until the summer weather appears.

We also have a website now - www.sokelguineapigrescue.com. For more information, please email me at 0501918@student.gla.ac.uk or call Susie on 07590 652738 and I'll get back to you as soon as possible.

Do you need expert equine care?

If your anything like me, I don't like to go away leaving my horse in inexperienced hands. The problem that I have is finding someone to fit the bill - it is very difficult.

I offer you the chance to go on holiday with complete peace of mind, knowing that your horse(s) life will carry on as normal.

I will care for your horses or ponies in the exact way you ask, allowing you to have a break without breaking your horses routine.

I will come to your stables or yard daily to provide constant care to your animals while you are away, to prevent the disruption caused by irregular livery.

While you are away I will feed, water, groom, and health check your horses as per your instructions.

With me taking care of your horse(s), you can come home from your trip feeling rested.

Use my experienced service and know that I can deal with the unexpected. Give me a call even if you need help on a regular basis, due to other commitments.

Savings for multiple horse owners, horses on the same yard, and long term bookings.

Call Lynn now on 01505 704005 or 07976 260085.

'Go Ape' For Bernard

Bernard Iliff Children's Dream Trips of a Lifetime Campaign invite you to 'Go Ape' for children with cancer. Saturday 2nd May at David Marshall Lodge Visitor Centre, Queen Elizabeth Forest Park, Aberfoyle, Stirlingshire. The official grand opening of our campaign will be started off by George Bowie of Radio Clyde.

'Go Ape' is home to Britain's two longest zip wires and a go ape course on top - this makes this the most talked about course in the UK. To experience the thrill of a zip wire sliding 150ft above the 90 foot waterfalls is worth a journey on its own.

An application form for this event can be down-loaded at www.amaschildren.com or telephone 01505 872482. Completed application forms for this event must be returned no later than Friday 10th April. Terms and conditions apply.
