Win a Heart for Jesus

We are pleased to announce the launch of a brand new partner program during the 2015-16 concert season to further the ministry of The National Christian Choir. After 32 years of spreading the word of God through music to thousands of people, we feel called to redouble our efforts to spread the word to a wider audience through increasing the scope of our weekly radio broadcasting as well as the outreach of our concerts both locally and through travel. New and additional funding will be needed to do so.

I am asking each of you who might be thinking about regularly supporting the ministry of The National Christian Choir, but haven't been able to take that step yet, to do so very soon. We would welcome you as a new Vision Partner. As you begin to think about the possibility of joining us in our ministry, please turn this sheet over and take a look at the various levels of participation and the benefits of each. A monthly gift of \$10 would be wonderful! One dollar a day in monthly payments might be possible for you and a terrific support to the Choir. \$2 a day in monthly installments yields about \$730 a year. In short, a small or large gift given on a regular basis really means much greater opportunities for the Choir. A significant number of new partners with this kind of help would yield absolutely amazing results for us!

Please pray about what God is saying to you about becoming a partner in bringing His good news to others. For questions and/or additional information or just to talk about the Choir and its ministry, please feel free to call me at home or email me using the information below. I am so very convinced that the NCC has been put in this place by the Lord that I cannot wait to share my enthusiasm with you! Please be in touch.

“The king appointed singers to walk ahead of the army, singing to the LORD and praising him for his holy splendor. This is what they sang: ‘Give thanks to the LORD; his faithful love endures forever!’”
2 Chronicles 20:21
