

GROUP-INITIATED VIA PROJECT

Notice to Parents and Pupils

The school/ P6 teacher coordinator will inform the group on the outcome of the group proposal after the PSLE.

Upon school's acceptance of a group-initiated project

1. Separate consent forms will be issued to parents to seek their consent for their daughters to participate in a group-initiated project prior to the start of the group project.
2. Kindly note that the project schedule as well as essential details concerning the group-initiated project such as venue of project site and the list of parents/adult supervisors ensuring the safety of pupils during the project implementation, will also be communicated to the parents, before their daughters embark on the group project.
3. Please refer to the briefing slides for information on the set criteria for awarding VIA hours.
