

Student Semester Evaluation Form

Semester:

Mentor:

Student:

Program Year:

Instructions: Please rate the student listed above on a scale of 1-3 based on his or her performance during the semester.

- Scale:* 1- Acceptable performance,
2 - Acceptable performance, assuming student takes certain actions,
3 - Unacceptable performance

Take into account participation in classes, research progress, progress in satisfying degree requirements, and the extent to which the student followed previous recommendations and other matters relevant to professional development and advancement.

Regardless of the number rating, also provide comments on the student's progress in your laboratory.
