WHAT IS K.I.D.S?

Fun
Faith
Friendship

FOR AGES
10-14!

all designed to **grow kid's faith in Jesus** and empower them to live out their faith in the real world.

IT'S GETTING TOUGHER FOR KIDS TO LIVE HOW JESUS WANTS THEM TO LIVE

By the age of 14 the average Aussie child has watched over 8000 hours of TV. Add to that listening to music and online surfing many kids are engaged with up to 8 hours a day of **mostly non Christian media**, exposing them and indirectly influencing them to an education based on worldly values.

So how does that compare with the amount of Bible & faith teaching they are getting? For most kids it's maybe one hour a week at Sunday School or a quick Bible story & prayer before bed.

K.I.D.S. IS HERE TO PARTNER WITH YOU!

You're not alone Together we can build solid faith foundations into your kids.

How will K.I.D.S. do this?

6 week program

Over 6 weeks kids are saturated in a Christian environment, Bible study & relevant teaching for their lives in today's world.

Bootcamp 9th May: K.I.D.S. begins with a one night sleepover at CoroUniting Church, who SUSA is partnering with to provide this program. This gets us started.

They come home with a special Task Book filled with age appropriate Bible teaching & tasks they have to complete. Some of those tasks will involve help from parents & leaders in their churches.

Weekly check ins with their group leader via email or phone.

An overnight campout (3 weeks in) will focus on God as creator. Plus heaps of fun with outdoor games, campfire & great food.

Another sleepover at CoroUniting Church, where kids will be involved in that church's Sunday worship service.

It concludes June 21st with a special Graduation event for families to attend.

What comes next? Well we don't just forget about them. After K.I.D.S there will be a reunion a couple months later plus ongoing contact & follow up.

Please contact Chris Battistuzzi for further information.
