

Re-Marks

The Year 2 Sports Day was a great success. Students cooperated and demonstrated how people can work together to achieve a common goal. Well done Year 2!

Preschool

Last Friday, Alex and Nikki had their 4th birthday party at preschool. As their first language is Chinese, we sang the "Happy Birthday" song in Mandarin. It was wonderful to see the children showing a great interest in another language.

During the week, we went up to Foundation Centre and joined in the 'jump jam' class. Even our teacher Victoria was dancing alongside the children!

This week, the children have decided that our drama room is going to be a Car Workshop. Things they want to see in the car workshop are: light bulbs, tyres, helmets, cars, bikes, trucks, etc. We can't wait to see all the interactions and learning that are going to happen when the workshop opens!

Foundation Centre

What a fantastic week we have had. The children have been exploring their ideas and thoughts with some great learning happening.

The unit of inquiry at the moment is 'Who We Are' and they have been learning new skills, such as, how to pop up on a surf board and creating bride and bridesmaid dresses out of shiny material that Joe's mum kindly donated.

Some children were exploring the art of 'Tai Chi'. Sonia was excited to receive a DVD on Tuesday called 'Tai Chi for children'. Most of the children practiced the art form. There was silence in the room as the children focused on the slow movements.

Watch this space for photos from our 'fish n chip' night!

FLIPPA BALL

Our Flippaball teams had a great last week of competition with:

- St Mark's 2 drawing with Seatoun.
 - Player of the day Siddhant
- St Mark's 1 had a very hard game against a strong Hataitai team.
 - Player of the Day Isaac D.

Even though they didn't end up winning they never gave up. We look forward to the winter break and starting again in Term 4.
