**Notice to Residents and
Owners of Recreation or
off road vehicles**

The Village Office has been receiving complaints from residents in regards to loud or possibly destructive behavior by owners of off road or recreation vehicles. These would include quads and motorcycles among others.

Please note that there is a nuisance bylaw in effect in the Village of Dewberry.

This reads in part bylaw 297

“No person shall within the limits of the Village of Dewberry make or cause to be made any unusual or unnecessary noise or noise likely to disturb persons in his neighborhood”

Please be considerate of others. We have both families with young children and seniors in our community and the noise can be very bothersome.

There have also been complaints in regards to possible destructive behavior on Main Street. This involves shooting of rocks from vehicles which could possibly break businesses windows.

Your help with this would be greatly appreciated.

Thank You

Mini Fair News

The growing season is upon us once again and your Horticulture Club is just as busy as you planning this years Annual Mini Fair! The date this year is August 21 2010 and we look forward to seeing everyone's participation. For this year we have discussed a few themes for the parade and are open to suggestions.

The theme for the Mini Fair and the theme for the parade will be announced in July's Newsletter so keep an eye out so you can plan your floats!

We would like to encourage all local businesses to participate in the parade as well as the fair.

All involvement in the past Mini Fairs is greatly appreciated, we would like to see all businesses keep up their clean appearances and try to decorate according to the years theme.

A beautiful handmade quilt with hand stitching will be displayed in the Servus Credit Union and tickets will be available at your local businesses as well as from Horticulture Club Members. Tickets will be sold at two dollars a ticket.

We have a lot of fun activities planned for this years event and look forward to seeing everyone support our community.

If anyone has any suggestions or ideas don't hesitate to come forward!

Have fun growing and preparing for your Annual Mini Fair.

Anyone that would like to volunteer or become a member, please contact Jean Bowman at 780-847-3061.

The next meeting will be held on June 14 2010 at 7:00pm at Lanie Parrs. Everyone is welcome!

"HOPE IN MOTION for cancer" held its 4th annual "Supper, With Muffins and More" on Wednesday, May 5 at the Dewberry Hall. A delicious roast beef supper was enjoyed by 250 people from several surrounding communities, with \$10,000.00 being raised from the evening. It is so great to see how people from so many different communities can come together for such a worthy event.....this disease has no boundaries, our next donation could be for you or someone you love.

We would like to thank the following people: the committee for all the time spent organizing this event, Pastor Brad Diprose for coming from Wainwright to be our MC for the evening, Bernie Webb for her inspirational and heartwarming talk on surviving 3 bouts of cancer, Edward and Cecile Cobiere from "Haying in the 30's" (our partnering group from Mallaig), Ken Winslow from the ATB and Solara Exploration for their contributions, and to the Mennonite singers for their musical selections. A huge thank you to anyone who donated baking, door prizes, raffle prizes, silent auction items, and to anyone else who helped in any way, big or small. Thanks to all the people who made the delicious meal possible, whether in donations, or the hands who lovingly prepared the food. Thank you to Lionel Romanchuk and Rick Rewuski for putting up our new sign on the corner of Highways 893 and 45.

It is heartwarming to know that so many people believe in our cause. Thank you for attending and participating in all the draws and purchasing baking. SO many people will be helped with this money, which goes to "Haying in the 30's" to be distributed to individuals who are actively receiving treatment for cancer. If you know of someone who is in treatment for cancer, please contact Jude Rewuski @780-847-4166.

There are 40...

Search Institute has identified 40 positive experiences and qualities - developmental assets - that all of us have the power to bring into the lives of children and youth.

26 Caring

Ideas

- * Teach children how to care for special things, such as toys, outfits, or plants, by themselves
- * Interact in caring, responsible ways with people of all ages. Encourage youth to do the same
- * Encourage teenagers to volunteer with at least one organization

This message was adapted from Search Institute's *Pass It On*, 2006. Brought to you by the Vermilion River Regional Healthy Communities Coalition. If you have any questions or would like more information please contact your Community Youth Worker - Candice McLean at 780-872-6495 or
