

## ROTARY CLUB OF McMinnville DICTIONARY DISTRIBUTION SIGNUP SHEET

We need your help distributing dictionaries. You won't regret the short amount of time you devote to this project. Here is an easy way for you to sign up to help. Simply put your name in the space provided opposite the school and time you can help and then click on the submit button and the form will be e-mailed to me. Please note that we arrive at the school fifteen (15) minutes before we start the distribution. The length of time at each school depends on the number of 4<sup>th</sup> grade classes. We are in each class for approximately 15 minutes.
