

ST. WALTER SCHOOL ANNUAL FUND ²⁰¹⁴

SINCE OUR OPENING IN 1952...

Thousands of children have had their first school experience where faith shapes not only curriculum, but also the lives of each student.

High percentage of graduating students are placed in Advanced or Honors Classes upon entering high school.

Technology has remained current, including a leading edge Computer Lab, two iPad portable labs, iPads in Early Childhood classrooms, and SMART® Board technology in every classroom.

Fine Arts programming is an integral part of the development of each of our students.

Dear Friend of St. Walter School,

St. Walter School's 2014 Annual Fund campaign is now underway. Our goal this year is to raise \$50,000. Funding raised through this campaign covers the highest priorities of our school, while providing funds to enable St. Walter School to continue to offer excellence in Catholic education. If you step through our doors, you will see the living examples of how generosity is making an impact on our students' lives.

We invite you to be a part of 2014 Annual Fund campaign. Your financial support will enhance our educational programs through capital improvements, innovations in technology, tuition assistance or endowment growth.

Gifts at every level have a tremendous impact, and no gift is too small! A contribution as little as \$19.52 will be a great way to celebrate our 62 year heritage and remember our founders who held the vision that a Catholic education was something worth investing in.

Your support and investment in St. Walter School is greatly appreciated. Please take a minute to review the giving opportunities listed below and consider making a donation. A self-addressed envelope is enclosed for your convenience. Donations can also be made securely through our website at www.stwalterschool.com.

Sincerely,

Mrs. Mary Lloyd
Principal
