Dear families and friends,

Welcome back to term two. The students and teachers have returned to school refreshed and are already working hard in their classrooms. Each term we focus on one of our School Values and this term, we are prioritising excellence. It is important to remember that this does not mean that we aim to be 'the' best, but that we consistently aim to be 'our' best. When working towards excellence, the key is to seek improvement. We can ask and challenge ourselves with the question, "how can I make this even better?" We can aim for excellence in effort and attitude. We can set challenging goals and stick at it as we work towards them. I hope that you will all take the time to talk about excellence at home and the ways in which we can be excellent in all areas of our lives. Here's to an excellent term 2!

TERM EVENTS

This term will see more exciting events which will support out teaching and learning programs. We are looking forward to 5/6 Camp, the Life Ed Van Visit, Education Week, School Photos, cross country events, NAPLAN © and the beginning of our kinder to prep information and transition process. As well as these things, we will see excursions, celebrations and in-school events. There is a term two calendar attached to this newsletter, but please keep an eye on our website, tiqbiz

and future newsletters to stay informed of all the happenings.

LIFE EDUCATION

Next week the Life Ed van will visit the school and all classes are scheduled to attend. The Life Ed van provides an expert educator who will work with the students to discuss many aspects of health. The programs are designed to suit each year level and cover topics around physical health, mental health, relationships and more. As we hear more and more in the media about the importance of strengthening respectful relationships, supporting mental health and building resilience, we are pleased to have access to this valuable learning resource at Rosanna.

FLUTE DONATION

We would like to say a big thank you to the Minchinton family for their generous donation of a curved head flute. This valuable instrument will be well used at school and allow access to an instrument for some students who may not otherwise have had that opportunity.

SUNSMART

As mentioned at assembly this week, SunSmart recommends that students continue to wear hats until

the end of April. We will continue with our Sunsmart practices until then and begin again in September. I encourage all families to make this a priority.

CANTEEN NEWS

We remind everyone that the canteen will not operate on Mondays in terms two and three. Everything will be as per normal from Tuesday to Friday.

Principal

ASSISTANT PRINCIPAL'S REPORT

Our playground continues to be enhanced by those volunteers who mysteriously come and go. Their acts of kindness in blowing pathways, weeding and mowing are greatly appreciated. Please save **Saturday, 14th May** for the Term 2 working bee. There will be further cleaning of drains and general tidying up of the yard. You can register your attendance by ringing the office.

Maths Garden

The latest installation in the Maths Garden requires the support of a couple of helpers. We need to put together a donated cubby house that will be a shop for students to play and use. Please give me a call if you can spend a few hours one afternoon and help piece together this latest addition.

Lawns and Yard

This term we invite mums and dads in **Years 3 & 4** to support the Lawn Mowing Roster. You can nominate either the top or lower nature strips to mow. Alas, we do not own a mower and so you will need to supply your own mower to complete the job. Thanks again to those who ensure our school is looking trim and sharp and are part of our ongoing team of helpers. If you can help out please call Craig on 0402 349 271, send through an email to the office or speak with me.

Painting

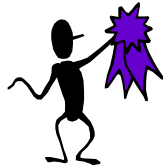

We are excited that the painting of the exterior of the administration building will begin on Monday. This will see the new paint scheme extended around the southern side of the building and complete the previously painted sections of the building. It is expected that this will continue for several weeks. It will be a wonderful sprucing up of our original school building.

This week we are playing against Macleod College at home. Macleod doesn't have a girl's soccer or football team. These teams will have a training session instead.

Games begin at 9.45 am.

All children not involved in a sporting team will participate in a sporting program at Macleod College. No money is required for this program.

Good luck to all teams.

CROSS COUNTRY

If you are able to help between the hours of 11.15 to 1.00pm, **please return the tear off slip or contact us via Tiggiz with the details below.**

Bey Kids Classes 2016

(Please tear off sheet and retain information at home)

In 2015 teacher Sophie Cartelli taught some of her year 4 - 6 students a few of the moves she had been learning with us at Bey Dance, with great success. The students loved her classes, and have requested to learn more, and we are eager to please! We're happy to be exclusively offering Bey Kids to friends and families of Rosanna Primary School in response to the success of Sophie's trial classes.

Bey Kids is an antidote to competitive and strict dance classes. We want all children, boys, girls, experienced dancers and beginners, to feel welcome and included to join our classes and have fun in a safe, non-judgemental space. We aim to build self-confidence, improve body image at a crucial age, and teach children to be proud of who they are. We are not a school aimed at competition level dance and our courses are not designed to train professional dancers. Rather we are about putting the fun into exercise through the joy of moving to music.

We believe that girls, in particular, need to be told it's ok to be proud of themselves and the way their bodies move. And we believe that boys benefit from being encouraged to dance in a society that can discourage men from this form of self-expression. We have seen huge benefits already for the children who have attended Sophie's classes and are keen to extend these further to benefit more children.

Course Information

The first course being offered is '**Grown Woman**', African rhythms and moves combined with empowerment pop and a whole lot of wiggles! This catchy song is a Bey Dance fun favourite for both girls and boys!

Cartooning

WiseOnes

Cartooning is a special way of making comment on life and society. It includes humour and uses that to make comments that would be unacceptable or even politically dangerous if put into words. Cartooning uses exaggeration to add emphasis and since it deals with human beings it often exaggerates their body features, feelings, habits, faults.

In this unit, you will develop cartooning skills such as facial features, comic strips and speech bubbles. You will write humorous captions and learn how to tell a concise message in 5 points. You will explore your sense of humour, initiate the ridiculous but be sensitive to other people's feelings and consider the rights of free speech versus rights to privacy. Explore your creative talents with WiseOnes.

WiseOnes is a program for fast learners from Grades 1-6. It operates during school hours, in small groups. It provides students with an opportunity to mix with other creative thinkers, be challenged and have fun. There is a levy of \$216.00 for the term. Children work in very small groups (in 8 one-hour sessions), as this is a differentiated curriculum for special needs. The levy is payable to the school in the first week of term.

Wiseones Application for Term 2, 2016

State Schools' Relief

Prep CSEF uniform support

Fact sheet for parents

Program background

As part of the Victorian Government's Affordable Uniform Program, every Prep government school student who is a recipient of the Camps, Sports and Excursion Fund (CSEF) automatically qualifies for a uniform pack voucher. Each year, State Schools' Relief (SSR) provides tens of thousands of children with school clothing, shoes and other essential items. For the first time SSR has received government funding so that it can help more families needing financial assistance, and ensure no one is left behind.

Eligibility requirements for CSEF can be found at www.education.vic.gov.au/csef

What uniform support is provided?

SSR will provide:

- A basic windcheater and tracksuit pants
OR one of the following
- A bomber jacket, rugby top, hoodie or zip jacket

How can parents apply for the uniform?

Parents must apply for CSEF by the closing date listed at www.education.vic.gov.au/csef before they approach the school to apply. Primary schools are required to make applications on behalf of parents at www.ssr.net.au/schools.

Once approved, the voucher will be dispatched electronically to the school, uniform shop or uniform supplier. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).

What if parents have already purchased their child's uniforms?

Eligible parents who have already purchased their child's uniforms for the year can select items of a larger size from the retailer.

Can parents who are ineligible for CSEF or, who have children in other year levels receive assistance from SSR?

Yes. Applications for parents requiring financial assistance for uniforms, text books or shoes are encouraged via the regular SSR services – www.ssr.net.au/schools. SSR only responds to requests from schools (not from parents directly). Parents are encouraged to talk to their school principal, assistant principal or student welfare coordinator about their situation and they will assess their eligibility.

Terms and conditions

- Only CSEF recipients are eligible for the uniform packs.
- Each student is eligible for a single uniform pack.
- A voucher is dispatched electronically to the school, uniform shop or uniform supplier on approval. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).
- The order is valid for 45 days from date of issue.
- Once expired, a new application must be lodged.
- Expired vouchers cannot be redeemed.
- Each voucher specifies the individual items funded by SSR.
- No change to the items can be made unless through the school.
- Changes made in store will not be honoured by SSR.
- The maximum voucher value is \$57 and any short fall will not be covered by SSR.
- The value of the voucher is a maximum value rather than an entitled amount. Should the value of the item be less than \$57 the difference will not be credit towards other items.
