The Greeley Forestry Division began hosting the Winter Tree Care Workshop in 1990. It continues to be the premier tree care workshop in northern Colorado. This year's workshop includes updates and state-of-the-art information from green industry consultants, Colorado State Forest Service, the City of Greeley and others. Several vendors and suppliers have also been invited to share their wares! Come help us share information about tree care.

The workshop is sponsored by:

The City of Greeley Forestry Division
Colorado State Forest Service
Colorado Tree Coalition
