For **High School** Bowlers

JULY 12-14

2016

INDIANAPOLIS  
INDIANA

## High School Bowlers –

Saddle up the horses and get ready to ride to the 2016 Turbo Tech Collegiate Expo just days prior to the USBC Junior Gold this summer. Hosted at Western Bowl in Indianapolis, Indiana, July 12-14, The Collegiate Expo VI is a comprehensive educational and recruiting platform for high school bowlers and colleges offering bowling scholarships.

Unlike combine-style camps or clinics limited to a specific aspect of the game, students get **2 full days of on-lane and classroom instruction** with some of the best coaches and professional athletes in the sport. Parents and college coaches can also get in on the action with various seminars presented by industry experts. Collegiate Expo VI concludes with a 6 game Audition Tournament where students compete in front of a captive audience of college coaches followed by an Open House. The Open House is a great opportunity to meet the coaches and gather information on colleges offering bowling scholarships.

We promise there is no other event like the Turbo Tech Collegiate Expo. Space is limited. Take advantage of **Early Bird Savings through April 30th**. Register on-line at [www.turbogrips.com](http://www.turbogrips.com). We hope to see you this summer.

Sincerely,

Lori Mraz – President

“ I can say with confidence that the Turbo Collegiate Expo is an experience my daughter will remember for many years to come... more so than any title(s) she has earned thus far. ”

“ With over 40 years of bowling experience myself, I must say that Turbo Tech has created an opportunity for our student athletes which far exceeded anything else I have attended in the bowling realm. ”

*Mike Bogue,  
Father of student bowler*
