

STUDENT CARPARKING REQUIREMENT

Leeming Senior High School has a requirement (within our Behaviour Management in Schools Policy) that senior students who drive a vehicle to school park their vehicle in the Leeming Recreation Centre carpark (entry off Farrington Road).

The definition of “vehicle” includes cars, motorbikes, powered scooters and includes any type of vehicle that is engine driven.

To assist in the both the monitoring of student attendance and the safety of students, those students that will be parking their vehicle in the Leeming Recreation Centre carpark are requested to complete the attached identification information and return it to the Student Services office before they do drive to school.

Thank you for your support in relation to this matter. If you would like to discuss this matter further, please feel free to contact me during school hours.

Regards,

Vance Bryan
Student Services Manager
