

COOPERATIVE EDUCATION PROGRAM

Skills Today. Knowledge Forever.

ROGERS TV WHO WE ARE

"My time as a co-op student at Rogers was amazing. Everyday is a new, fun experience. I came for a four-week summer co-op and I'm still here 2 years later – that says it all!"
Kaleigh Maclaren, student

Over the years, Rogers TV has been the starting point for a number of people who have continued a career in TV news, comedy and film production. Among the alumni are Tom Green, Dan Ackroyd, Jacqueline Milczarek and many more. Rogers TV gave them a unique opportunity to develop their skills through valuable hands-on experience.

Rogers Communications is a diversified Canadian communications and wireless company engaged in three primary lines of business. *Rogers Wireless* is Canada's largest wireless voice and data communications services provider; *Rogers Cable* is Canada's largest cable television provider offering cable television, high-speed internet access, telephony and data networking services and video retailing; and *Rogers Media* is Canada's premier collection of category leading media assets with businesses in radio, television broadcasting, television shopping, publishing and sports entertainment.

Rogers TV offers high school and university students a unique opportunity to gain hands-on experience in the fast paced, exciting world of television. Through our cooperative education and college internship programs, students can explore the world of television production, gain marketable skills and make lifelong friends.

CO-OP POSITIONS FOR 2013/2014

ENTHUSIASTIC AND DEDICATED STUDENTS WANTED!

Looking to obtain a hands-on experience in a fast-paced, high-tech environment?

Then Rogers TV Ottawa is looking for YOU!

Cooperative education with **Rogers TV Ottawa** is perfect for students interested in a career in *media arts, communications, journalism, television and video production*. We are committed to quality, relevant, local programming and have won awards in Regional and National competitions.

Rogers TV Ottawa is a launching pad for tomorrow's producers, directors and on-air personalities. There are numerous television, radio and film professionals who got their start at 475 Richmond Rd in Ottawa.

We are looking for keen, knowledgeable and reliable students to participate in the cooperative education experience with Rogers TV. In return, we offer students hands-on opportunities to creatively contribute to the community, develop new skills, gain experience and learn what is involved in television production.

"Rogers TV is a great place to learn hands-on in the industry. Meeting new people is just one of the many perks!"

Jodi Samler, student
