The Club Secretary
All Lions Clubs International in District 201W1

Dear Fellow Lion,

Items for Action:

Please read page 129 of your District Diary

Notable items for action are:

- Club Election and reporting. Even if you have only one Lion nominated for each position you must still carry out the election of the officers
- PU101 electronic reporting. Unless this is carried out the 2012 – 2013 officers will be printed in the diary and MD Directory. If you need help with this please contact me on 9561 6778.
- Start thinking about the date for your Changeover.

Applications for Melvin Jones Fellowship

I have been advised that clubs should ensure that applications for Melvin Jones Fellowships are received prior to 15 June. Due to the International Convention, orders received after that date will not be processed until after July 25.

Notice of Special Meeting

Members of the board of the Lions Cancer Institute Inc. would like to invite all Lions Club Members in Districts 201W1 & 201W2 to a special meeting to consider minor changes to the Institute's constitution.

Crawford Lodge, Monash Ave NEDLANDS

Monday 25th March 2013 at 6.30 pm (a light supper will be provided)

Please advise if attending to Secretary Dora [email doraellen@bigpond.com](mailto:doraellen@bigpond.com)

Lions Recycle for Sight

DG Barry has asked that I include this request from Lions Recycle for Sight. WA is having difficulty processing glasses at the moment due to the rebuilding programme underway at the LEI. This Queensland based foundation have requested that clubs approach OPSM stores with a view to collecting glasses and sending to Queensland for recycling. Contact details are:

Website information

Did you know that a "**Club Services**" page exists on our District website? It has details of equipment which clubs might hold for service and fundraising activities. If you have something special you operate – such as a fairy Floss machine your club might want to advertise it on the website. Have a look at this link <http://201w1.lions.org.au/equip>

Cabinet Meetings

All Lions members from W1 are eligible to attend Cabinet Meetings as guests. The next Cabinet Meeting will be held at Jurien Bay and lunch is available for \$20. Once the meeting is finished and the minutes have been circulated all reports and the minutes will be posted on the district website under Members only/Member Links. The Cabinet Meeting Minutes for 9th December have been posted.

Membership classifications

Recently I found that some clubs are unaware of all types of membership available. Membership classifications for Lions are as follows:

Regular Member
Honorary Member
Affiliate Member
At Large Member
Leo Member
Privileged Member
Student Member
Leo Lion Member

To find out more about membership classifications look at page 89 on the following link <http://lionsclubs.org.au/wp-content/uploads/2012/12/Club-Administration-Manual.pdf>

Memorial Forms for MD Convention

Please remember to remember. Memorial Forms must be returned to me by 31 March 2013.

Delegates and Alternates for MD Convention

Likewise, Delegate forms must be returned to me in time for me to action them. Please complete the Delegate form and have it back to me by 11 April if your club has members attending the convention.

Children of Courage Registrations

Nominations close 18 March and your club's process should be well under way. Please have a look at the following links for information and the nomination form. The Ceremony will take place on Sunday 7 April 2013.

A Little Help to Complete your Club PU101

Follow the link, send me an email with your officers or call me <http://201w1.lions.org.au/members>

Please treat the completion of the PU101 as a priority task.

Lions Personal Development & Orientation Day

This course will be held on Saturday 13th April 2013. If clubs could set this day aside for this course it would be appreciated. We will have billeting available to cater for country attendees. The enrolment form is (still) attached.

Save This Date for Training

The date for the Incoming Officer's Forum this year is Sunday 19 May. Please try to schedule this date free to enable as many of your members to participate in this workshop. It passes on information not only for incoming officers, but allows an insight into how a club operates for all members.

MyLCI Reporting

This is the same story as last month. New members have been inducted but not been added to some clubs. 92% of WMMR reports were completed this month. This is up because the CabSec went in and completed some which had not been done for some time. Come on club Secretaries/Membership Chairpersons, we really need these completed.

Yours in Lionism,

Sue Lowe
Cabinet Secretary
