Initial

I certify that PSE is my retail electric provider and I will install the lamps in my business which is served by PSE within 3 weeks.

I acknowledge that PSE may inspect the existing and /or retrofitted lighting and I hereby agree not to unduly or unreasonably limit PSE's ability to conduct any such inspections. I will be responsible to pay full price for lamps not installed during the inspection (except for a 10% surplus allowance).

I understand that PSE has provided rebate incentives for the retrofit measures that are designed to save energy in the facility listed on the application, but I understand and acknowledge that estimated energy savings are not guaranteed.

Please contact me about upgrading my entire lighting system.
